COMMISSION OF THE EUROPEAN COMMUNITIES

SE**C**(87) 1632 final

Brussels, 28 October 1987

REPORT FROM THE COMMISSION TO THE COMMITTEE OF ACP-EEC AMBASSADORS

concerning the progress made with the processing of the transfer requests presented for the application year 1986 by virtue of the system for the stabilization of export earnings set down in the Third ACP-EEC Convention.

(Report referred to at Article 168 § 4 of the Convention)

1. Progress made with the processing of the requests

The Commission received 70 transfer requests from 34 ACP States for the application year 1986.

On 30 September 1987, 68 requests had been processed. 27 requests had to be refused, and 41 resulted in transfers. Of the 2 requests, where appraisal has still to be concluded, one will lead to a transfer. Thus there will be at least 42 transfers.

Commission Decisions have already been taken in respect of the transfers, where processing has been finalised.

2. Refused transfer requests

Seven requests have been refused, because the dependence threshold has not been reached (Art. 161 of the Convention).
