EXPLANATORY MEMORANDUM

During its sitting of 23 May 1980, the European Parliament delivered its Opinion on the Proposal for a Council Decision on the adoption of a programme of technological research in the field of clay minerals and technical ceramics (COM (79) 273 final) which the Commission submitted to the Council on 5 June 1979 (\*).

The Commission has decided, as it stated during the plenary sitting, to comply with the request for an amendment made in Parliament's Opinion and therefore to submit a proposed amendment to the initial proposal for a decision.
