./..

* The amounts are given in ECU as a guide

Aid amounting to DM 37 471 397 has been granted to 78 projects in Germany.

- DM 375 708 for six projects in the fisheries sector :
 - purchase of shrimp transport vehicles and a grader at Friedrichskoog and Marne (Schleswig-Holstein);
 - construction of shrimp grading facilities at Friedrichskoog (Schleswig-Holstein) and freezing facilities at Busum (Schleswig-Holstein) and extension of a fish processing plant at Lübeck (Schleswig-Holstein);
 - purchase of box washing facilities at Kiel (Schleswig-Holstein).
- DM 2 019 693 for 2 projects in the meat sector :
 - construction and extension/modernization of cutting plants at Kassel (Hessen) and at Birkenfeld (Baden-Württemberg).
- DM 9 878 509 for twelve projects in the milk and milk products sector :
 - construction or modernization/rationalization of cheese factories in Baden-Württemberg (two projects), Bavaria (three projects), Schleswig-Holstein (two projects) and construction of a cheese store at Holtsee (Schleswig-Holstein);
 - rationalization/modernization or construction or extension of dairies in Bavaria (3 projects) and North Rhine Westphalia (1 project).
- DM 8 157 665 for 24 projects in the cereal sector :
 - construction of a grain silo at Heiligenhafen (Schleswig-Holstein);
 - extension and modernization of grain stores in Hessen (2 projects);
 - extension or creation or increase/modernization of handling/storage capacity for cereals in Hessen (9 projects) and in Baden-Württemberg (7 projects);
 - construction of grain collection facilities in Baden-Württemberg (3 projects) and Hessen (2 projects).
- DM 3 913 967 for 10 projects in the wine and spirits sector :
 - extension/modernization or construction of wineries in Baden-Württemberg (4 projects);
 - construction of a press at Korb (Baden-Württemberg);
 - modernization of a grape processing plant at Rotenberg (Baden-Württemberg, and extension/expansion/modernization of wine cooperatives in Baden-Württemberg (4 projects).
- DM 7 445 779 for ten projects in the fruit and vegetable sector :
 - extension/modernization of fruit/vegetable markets in Baden-Württemberg (one project) and Rheinland-Pfalz (one project);
 - extension/modernization of fruit juice factories in Rheinland-Pfalz (one project), in Baden-Württemberg (one project) and in Lower Saxony (two projects);
 - extension and rationalization of vegetable preserve factories in Schleswig-Holstein (three projects) and in Lower Saxony (one project);

./..

- DM 3 885 739 for eleven projects in the seed sector :
construction or extension of seed packaging or dressing facilities in Lower Saxony (eight projects);
construction of cereal seed warehouses in Lower Saxony (three projects).
- DM 1 794 337 for three projects in the potato sector :
modernization/extension of potato processing units in Lower Saxony (one project) and in Schleswig-Holstein (one project) and the construction of a potato warehouse at Hanstedt (Lower Saxony).

Aid amounting to BFR 159 500 000 has been granted to 19 projects in Belgium.

- BFR 29 649 090 for three projects in the meat sector :
rationalization of a meat cutting plant at Geel (Antwerp);
modernization of a meat products factory at Marche (Luxembourg) and construction of an industrial complex for modern treatment of pigmeat and beef and veal in Brussels;
- BFR 50 739 371 for 6 projects in the milk products sector :
extension/construction of cheese factories at Passendale (West Flanders) and Chimay (Hainaut);
extension/modernization of dairies at Walhorn (Liège), Moorslede (West Flanders), Grimbergen (Brabant) and Zonhoven (Limburg);
- BFR 19 960 663 for three projects in the eggs and poultrymeat sector :
rationalization/modernization of egg distribution/packing networks at Herk-de-Stad (Limburg) and Lille-Poederlee (Antwerp);
and rationalization of a poultry slaughterhouse at Stevoort-Hasselt (Limburg).
- BFR 50 067 595 for five projects in the fruit and vegetable sector :
extension/modernization of two vegetable freezing preserves undertakings at Staden (West Flanders), another at Ardoois (West Flanders) and another at Zedelgem (West Flanders) and modernization of a syrup factory at Herve (Liège).
- BFR 1 169 725 for a project in the flowers and plant sector :
rationalization of a non-food horticultural products cooperative at Merelbeke (East Flanders).
- BFR 7 913 556 for 1 project in the seed sector :
construction of a cereal seed storage/sorting unit at Hannut (Liège).

In Denmark, 15 projects are aided, the total amount of aid granted being DKR 20.392.575.

- DKR 4.169.223 for eight projects in the fish products sector:

Construction of cooling facilities for raw fish at Røduig, Sjælland;
construction of a storage with filleting facilities at Hanstholm, Jylland; modernisation/extension/rationalisation of 3 factories producing fillets at Stubbekøbing (Falster), at Glyngøre (Jylland), and at Rønne (Bornholm), of processing facilities in general at Esbjerg and Hirtshals, both Jylland, and at Hørve, Sjælland.

- DKR 11.746.190 for four projects in the meat sectors:

Provision of production facilities for hot deboning of pigs at Esbjerg, Jutland; modernisation of seven slaughterhouses belonging to the same combine in the region of East Jutland; extension of two meat processing plants at Tarp and Ålborg, Jutland.

- DKR 1.000.000 for one project in the milk sector:

Modernisation/rationalisation of a cheese factory at Tårstrup, Jutland.

- DKR 2.277.162 for one egg sector project:

Construction of new facilities for grading, scaling and packing of eggs together with a new egg processing plant at Tyrstrup, Jutland.

- DKR 1.200.000 for one potatoes sector project:

Construction of a handling and storage plant at Gislinge, Zealand.

Aid totalling FF 118 573 405 has been granted for 47 projects in France.

1. General appropriations :

- FF 58 852 284 has been awarded for 28 projects as follows :
- FF 21 623 592 for eight projects in the meat sector :
modernization of slaughterhouses at Colmar (Haut Rhin), Bessines-sur-Gartempe (Haute Vienne) and Thiviers (Dordogne); construction of slaughterhouses at Beaumarches (Gers) and Beauvais (Oise); modernization of a slaughterhouse and cutting plant at Coupiac (Aveyron); construction of a charcuterie factory at Saint-Priest-en-Jarez (Loire); and construction of a slaughtering and cutting complex at Macouria-Cayenne (French Guiana);
- FF 2 651 600 for the construction of a livestock market at Tourville-Riviere (Seine Maritime);
- FF 6 712 627 for two projects in the oil sector :
extension and modernization of :
 - two sunflower and colza pressing units at Lezoux (Puy-de-Dôme) and Château Renard (Loiret);
 - and an oil refinery and packaging plant at Sens (Yonne);
- FF 3 108 365 for four projects in the wine and spirits sector :
modernization of wine cooperatives at Beaupuy, Cocumont and Duras (Lot-et-Garonne); and the creation of a quality control centre for Graves wines (Gironde);
- FF 15 269 996 for eight projects in the fruit and vegetable sector :
construction of a fruit station at St Georges sur Moulon (Cher);
extension/modernization of :
 - a fruit station at Moissac (Tarn et Garonne);
 - plum storage/drying facilities at Ste Livrade, Agen, Aiguillon and Moncrabeau (Lot-et-Garonne);
 - a sweetcorn canning plant at Labatut (Landes) and
 - a jam factory at Biars-sur-Cere (Lot).
- FF 5 770 250 for two projects in the seed sector :
extension and modernization of a seed dressing unit at Chappes (Puy-de-Dôme);
extension and improvement of a maize seed station at Beaufort-en-Vallée (Maine et Loire);
- FF 1 957 500 for the construction of a potato packing and storage centre at Pontivy (Morbihan);
- FF 1 758 354 for two projects in the miscellaneous crops sector :
modernization of :
 - green forage drying facilities at Recy (Marne);
 - flax scutching facilities at Bourgubus (Calvados).

2. Appropriations for Mediterranean areas :

FF 59 721 121 has been awarded for 19 projects :

- FF 10 668 350 for the construction of a fish cold store at Port de Sète (Hérault);
- FF 497 000 for the extension of grain storage facilities at St Privat-de-Vieux (Gard);
- FF 32 300 197 for 11 projects in the wine and spirits sector : modernization of wine cooperatives and oenological laboratories in Hérault (four projects, 14 wineries), Languedoc-Roussillon (one project, 13 laboratories), Aude (three projects, 14 wineries, Gard (one project, one winery), Drome (one project, one winery) and Pyrénées Orientales (one project, three wineries).
- FF 10 512 824 for four projects in the fruit and vegetable sector for the extension of fruit and vegetable depots and canneries and the creation of asparagus packing station in Gard (two projects, one fruit depot, one asparagus packing station); in Pyrénées Orientales (two projects, three depots and one fruit preserves factory).
- FF 5 742 750 for two projects in the seed sector relating to the extension of seed dressing facilities in Aude at Castelnaudary and Trêbes.

In Greece, 9 projects are aided, the total amount of aid awarded being DR 473.865.549

- DR 301.875.000 for one cereals sector project : construction of 29 silos for cereals in 16 nomos of Greece
- DR 7.825.076 for one olive oil sector project : construction of an olive oil processing and standardisation plant in Kephalinias
- DR 8.223.658 for one milk products sector project : construction of a cheese factory in Komotini
- DR 155.941.815 for six fruit and vegetables sector projects : construction of two plants processing olives in N. Etoloakarnanias and N. Chalkidikis; construction of a citrus fruit station in Crete, N. Hanion; construction of a raisins processing plant in N. Messinias; extension and modernisation of two fruit processing plants in Gefyra (N. Thessalonikis) and in Kamares Spartis (N. Lakonias).

IRL 2.675.182 is granted for 19 projects.

- IRL 86.400 is granted to two projects in the fish sector.
 - the provision of additional fish processing facilities at Wexford and at Kilmore, Co. Wexford.
- IRL 2.238.673 for 7 projects in the animal products sector:
 - which include: modernisation of dairy processing facilities at Wexford,
 - modernisation of milk processing facilities at Inch Gorey, Co. Wexford,
 - modernisation of beef processing facilities at Wexford,
 - modernisation of cheese processing at Rathduff, Co. Cork, and at Newmarket, Co. Cork and the provision of animal by-products processing facilities at Walkinstown, Co. Dublin.

- IRL 253.109 for 9 projects in the cereal sector which include the modernisation of grain drying and storage facilities at Cluide, Co. Louth; Ballyduff, Co. Offaly; Tullow, Co. Carlow; Baltinglass, Co. Wicklow; Talbots Inch, Co. Kilkenny; and Derrygarth, Co. Tipperary.
- IRL 97.000 for one project in the potato sector in respect of facilities for the production of frozen chips at Ballylinan, Co. Laois.
- IRL 198,410 for the provision of egg grading facilities at Castlebridge, Co. Wexford.

IRL 3.596.303 is granted for 12 projects.

- IRL 764.817 for two projects in the fish sector both at Killybegs, Co. Donegal.
- IRL 2.510.999 for three projects in the meat sector which includes the provision of meat processing facilities at Lough Egish, Co. Monaghan, modernisation of meat processing facilities at Rooskey, Co. Roscommon and the provision of additional meat processing facilities at Ballyhaunis, Co. Mayo.
- IRL 235.430 for six projects in the egg and poultry sector to include the modernisation of egg processing facilities at the following locations:
 - Scotstown, Co. Monaghan;
 - Selloo, Co. Monaghan;
 - Scotshouse, Co. Monaghan;
 - Glenamaddy, Co. Galway;
 - Castleblaney, Co. Monaghan; and
 - Ballina, Co. Mayo.

ITALY

An aid awarded of LIT 56 110 786 369 is granted for a total of 64 projects in Italy.

1. General appropriations :

- LIT 17 339 379 340 is awarded to 38 projects in Italy.
- LIT 1 936 621 831 for three projects in the fish products sector : extension/construction of a fish processing plant at Chioggia and at Caorle (Venezia); construction of a centre for cleaning molluscs and marketing at Talamona di Orbetello (Grosseto)
- LIT 429 075 518 for one project in the meat sector : construction of a pigmeat processing plant at Borgo val di Taro (Parma)
- LIT 3 209 347 427 for seven projects in the milk sector: modernisation and/or extension of dairies and cheese factories at Lodi (Milano), Radicofani (Siena), Gallarate (Varese), Cavatigozzi (Zemona), Brunico (Bolzano), Bolzano, Ca' del Bosco di Sopra (Reggio Emilia)

- LIT 2 029 610 000 for three projects in the cereals sector: construction/extension of processing plant (steam treatment , pelleting ...) and storage facilities for cereals at Caorle (Venezia), Arzergrande (Padova), and Casale sul Sile (Treviso)
- LIT 4 265 394 694 for eight projects in the wine sector: extension/improvement of wineries at Genazzano (Roma), Stefano Belbo (Cuneo), Forli, Faenza (Ravenna), Gaiole in Chianti and Poggibonzi (Siena), Castelbaglione and Manranzana (Asti)
- LIT 4 830 795 220 for fourteen projects in the fruit and vegetables sector : Construction/extension/improvement of fruits and vegetables Stations at Castel-firmiano and Merano (Bolzano), Revo and Aldeno (Trento), Ravasgese (Parma), Ferrara Migliarino and Monestirolo (Ferrara), Ravenna Barbiano di Cotignola, and Massa Lombarda (Ravenna), Vignola (Modena), Acquafredda (Pesaro), Pontasserchio (Pisa), modernisation of tomato processing plant at Codigoro (Ferrara)
- LIT 470 103 250 for one project in the animal feed sector: construction of an offale processing plant at Forli.
- LIT 168 431 400 for one project in the oils sector; construction of storage facilities for maize grains and sunflower seeds at Montevarchi.

2. Mediterranean appropriations (1361/78)

An aid of LIT 38 771 407 029 is awarded to 26 projects

- LIT 2 745 432 388 for five projects in the fish products sector: construction of processing plants at Lamezia Terme and Torre Melissa (Catanzaro), Mugnano (Napoli), Termoli (Campobasso) and St Antioco (Cagliari).
- LIT 1 295 219 000 for one project in the meat sector: extension of a slaughterhouse at Oziezi (Sassari)
- LIT 2 454 777 853 for three projects in the milk sector: extension of cheese factories at Oschiri (Sassari) and Sassari; construction or extension of eight handling centres at Caivano (Napoli) Salerno, Bari, Foggia, Francavilla (Brindisi), Catania, Palermo and Messina.
- LIT 7 760 477 950 for one project in the oils sector: construction of three processing, storage and handling plants for olive oil at Andria (Bari), Catanzaro, S. Maria a Vico (Caserta)
- LIT 11 514 123 591 for seven projects in the wine sector : construction/extension of six wineries at Pulsano (Taranto), Sanluri (Cagliari), Alghero (Sassari), Ripatransone and Offida (Ascoli Piceno), Butera (Caltanissetta) extension of a distillery at Assemini (Cagliari)
- LIT 10 455 195 517 for five projects in the fruit and vegetables sector: Construction/extension of four fruit and vegetables stations at Avezzano (L'Aquila), Valledoria (Sassari), Rotella (Ascoli Piceno), Sabaudia (Latina); construction of one fruit and vegetable market at Policoro (Matera).

- LIT 2 546 181 000 for four projects in the tobacco sector : Construction of tobacco processing plants at Lanciano, Paglieta and Atessa (Chieti), Aprilia (Latina).

An aid of LFR 5 087 456 has been granted to Luxembourg for a project in the wine and spirit sector relating to :
modernization/extension of a winery at Remich.

A total of HFL 10 700 000 has been granted for eleven projects in the Netherlands.

- HFL 1 518 125 for two projects in the meat sector :
construction of a beef and veal cutting plant at Twello (Overijssel) and
construction of a pig slaughterhouse at Scherpenzeel (Gelderland);
- HFL 760 000 for two projects in the milk and milk products sector :
construction or fitting-out of cheese depots at Zevenaar (Gelderland) and
Woerden (South Holland);
- HFL 662 747 for two projects in the eggs and poultry sector :
conversion of poultry slaughterhouses at Dedemsvaart (Overijssel) and
Goor (North Brabant) for the manufacture of fresh products;
- HFL 2 637 742 for four projects in the fruit and vegetable sector :
extension of a fruit and vegetable preserves factory at Geldermalsen
(Gelderland) and extension of a vegetable auction at Breda (North Brabant);
- HFL 5 121 386 for the extension of a cut flower auction at Honselersdijk
(South Holland).

An aid of UKL 4,606,286 is given to a total of 42 projects in the United Kingdom.

- UKL 710,438 for 15 projects in the fish products sector :
provision, expansion or modernisation of fish/shellfish processing facilities
at Southend, North Shields, Hull, Truro, Romsey, Aberdeen, Boston, Peterhead,
Annan, Fleetwood, Lerwick and North Mavine, and Newtown Stewart; construction
of an eel collection and distribution centre at Gloucester; provision of fish
pumps at Grimsby; and construction of a fish market at Scalloway, Shetland.
- UKL 1,530,974 for 7 projects in the meat and pigmeat products sector :
modernisation of a livestock market at Gaerwen, Anglesey; provision of sheep
slaughtering and processing facilities at Campsie, Co. Londonderry; provision
of meat processing facilities at Portadown and Inverurie; provision or expansion/
modernisation of pigmeat processing facilities at Ahoghill (Co. Antrim),
Wakefield and Hyde.

Bruxelles, janvier 1983

Octroi du FEOGA
Section Orientation
Deuxième tranche 1982 - Règl. 355/77

La Commission des C.E. a octroyé un concours de 67.293.959 ECU à 260 projets (crédits normaux), un concours de 37.789.401 ECU à 45 projets dans le cadre de crédits prévus pour les zones méditerranéennes ainsi qu'un concours de 5.208.093 ECU pour 12 projets dans le cadre des crédits prévus pour l'ouest de l'Irlande.

Le concours octroyé se répartit de la manière suivante :

1. Crédits normaux

	<u>Nombre de projets</u>		<u>Concours en monnaies nat.</u>	<u>Concours en UCE (*)</u>

Un concours de 37.471.397 DM a été octroyé à 78 projets en
Allemagne

- DM 375.708 pour 6 projets du secteur de la pêche :
achat de véhicules de transport de crevettes et d'un calibreur à Friedrichskoog et à Marne (Schleswig-Holstein);
construction d'installations de calibrage de crevettes à Friedrichskoog (Schleswig-Holstein) et de congélation à Büsum (Schleswig-Holstein); et l'agrandissement d'une entreprise de traitement de poissons à Lübeck (Schl.-H.);
achat d'une installation de lavage des caisses à Kiel (Schl.-H.).
- DM 2.019.693 pour 2 projets du secteur viande :
construction et agrandissement/modernisation d'ateliers de découpe à Kassel (Hesse) et à Birkenfeld (Baden-Württemberg).
- DM 9.878.509 pour 12 projets du secteur laitier :
construction ou modernisation/rationalisation de fromageries dans le Baden-Württemberg (2 projets), en Bavière (3 projets), dans le Schleswig-Holstein (2 projets), et la construction d'un entrepôt de fromage à Holtsee (Schleswig-Holstein);
la rationalisation/modernisation ou la construction ou l'agrandissement de laiteries en Bavière (3 projets) et en Rhénanie du Nord-Westphalie (1 projet).
- DM 8.157.665 pour 24 projets du secteur céréales :
construction d'un silo à céréales à Heiligenhafen (Schleswig-Holstein);
l'agrandissement et la modernisation d'entrepôts de céréales en Hesse (2 projets);
l'agrandissement ou création ou l'augmentation/modernisation des capacités de traitement/stockage de céréales en Hesse (9 projets), et dans le Baden-Württemberg (7 projets);
la construction d'installations de collecte de céréales dans le Baden-Württemberg (3 projets) et en Hesse (2 projets).
- DM 3.913.967 pour 10 projets du secteur vins et alcools :
extension/modernisation ou construction de caves de vinification dans le Baden-Württemberg (4 projets),
la construction d'un pressoir à Korb (Baden-Württemberg);
la modernisation d'une installation de transformation de raisins à Rotenberg (Baden-Württemberg), et l'extension/agrandissement/modernisation de caves cooperatives dans le Baden-Württemberg (4 projets).
- DM 7.445.779 pour 10 projets du secteur fruits et légumes :
l'agrandissement/modernisation de marchés aux fruits/légumes dans le Baden-Württemberg (un projet) et en Rhénanie Palatinat (un projet);
extension/modernisation de fabriques de jus de fruits en Rhénanie Palatinat (un projet), dans le Baden-Württemberg (1 projet) et dans la Basse-Saxe (2 projets);
l'agrandissement et rationalisation de fabriques de conserves de légumes dans le Schleswig-Holstein (3 projets) et dans la Basse-Saxe (1 projet);

.../...

- DM 3.885.739 pour 11 projets du secteur semences :
construction ou agrandissement d'installations de conditionnement ou de traitement de semences dans la Basse-Saxe (3 projets);
construction d'entrepôts de semences de céréales dans la Basse-Saxe (3 projets).
- DM 1.794.337 pour 3 projets du secteur pommes de terre :
modernisation/extension d'unités de transformation de pommes de terre dans la Basse-Saxe (1 projet) et dans le Schleswig-Holstein (1 projet), et la construction d'un entrepôt de pommes de terre à Hanstedt (Basse-Saxe).

Un concours de BFR 159.500.000 a été octroyé à 19 projets en Belgique.

- BFR 29.649.090 pour 3 projets du secteur viande qui concernent :
la rationalisation d'un atelier de découpe de viande à Geel (Anvers),
la modernisation d'une fabrique de produits de viande à Marche (Luxembourg) et la construction d'un complexe industriel pour le traitement moderne de viande porcines et bovines à Bruxelles;
- BFR 50.739.371 pour 6 projets du secteur de produits laitiers :
agrandissement/construction de fromageries à Passendale (Flandre Occ.) et à Chimay (Hainaut);
agrandissement/modernisation de laiteries à Walhorn (Liège), à Moorslede (Flandre Occ.), à Grimbergen (Brabant) et à Zonhoven (Limbourg);
- BFR 19.960.663 pour 3 projets du secteur oeufs et volailles :
rationalisation/modernisation de réseaux de distribution/conditionnement d'oeufs à Herk-de-Stad (Limbourg) et à Lille-Poederlee (Anvers);
et la rationalisation d'un abattoir de volailles à Stevoort-Hasselt (Limbourg).
- BFR 50.067.595 pour 5 projets du secteur fruits et légumes :
agrandissement/modernisation de deux entreprises de congélation/conserves de légumes à Staden (Flandre Occ.), d'une autre à Ardoie (Flandre Occ.) et d'une autre à Zedelgem (Flandre Occ.) et la modernisation d'une siroperie à Herve (Liège).
- BFR 1.169.725 pour un projet du secteur fleurs et plantes :
rationalisation d'une coopérative de produits d'horticulture non destinés à l'alimentation à Merelbeke (Flandre Or.).
- BFR 7.913.556 pour 1 projet du secteur semences :
construction d'une unité de stockage/triage de semences de céréales à Hannut (Liège).

In Denmark, 15 projects are aided, the total amount of aid granted being DKR 20.392.575.

- DKR 4.169.223 for eight projects in the fish products sector:

Construction of cooling facilities for raw fish at Røduig, Sjælland;
construction of a storage with filleting facilities at Hanstholm, Jylland; modernisation/extension/rationalisation of 3 factories producing fillets at Stubbekøbing (Falster), at Glyngøre (Jylland), and at Rønne (Bornholm), of processing facilities in general at Esbjerg and Hirtshals, both Jylland, and at Hørve, Sjælland.

- DKR 11.746.190 for four projects in the meat sectors:

Provision of production facilities for hot deboning of pigs at Esbjerg, Jylland; modernisation of seven slaughterhouses belonging to the same combine in the region of Østjylland; extension of two meat processing plants at Tarp and Ålborg, Jylland.

- DKR 1.000.000 for one project in the milk sector:

Modernisation/rationalisation of a cheese factory at Tårstrup, Jylland.

- DKR 2.277.162 for one egg sector project:

Construction of new facilities for grading, scaling and packing of eggs together with a new egg processing plant at Tyrstrup, Jylland.

- DKR 1.200.000 for one potatoes sector project:
