

COMMISSION OF THE EUROPEAN COMMUNITIES

COM (77) 403 Final

Brussels, 1st August 1977

Amendment

to a

proposal for a Council Decision concerning a
research programme in the field of treatment
and use of sewage sludge (concerted action).

(presented by the Commission to the Council
pursuant to the second paragraph of article
149 of the EEC Treaty)

Amendment

to a

proposal for a Council Decision concerning a research programme in the field of treatment and use of sewage sludge (concerted action).

- 1) After the fourth recital add :
On 4 May 1976; the Council approved a directive on pollution caused by certain dangerous substances discharges into the aquatic environment ;
- 2) Amend the next recital:
A Community concerted research action in the field of treatment and use of sewage sludge should contribute to the achievement of the abovementioned aims, in particular with regard to the reduction of environmental pollution and to the economic use of resources;
- 3) Article 2 :
The financial contribution by the Community to the realization of the coordination action will be determined in the budgetary procedure. The overall contribution is estimated at 140.000 u.a.; the unit of account being defined according to the financial regulations in force;
- 4) Article 4 :
 - (a) Unchanged
 - (b) The Commission shall prepare yearly reports on the progress and outcome of coordination and transmit them to the European Parliament.
 - (c) Unchanged.

5) Article 6:

Annex 1 to this Decision may be amended by the Council on a proposal from the Commission, after consulting the European Parliament in the event of a substantial change in the financial or technical conditions governing the research which is covered by the coordination action.
