P R E F A C E

The Prime Minister of Luxembourg, Mr Gaston THORN, delivered an address at the 200th Session of the Consultative Committee which was held in Luxembourg on 15 June 1979.

In accordance with tradition, one Session was held away from Luxembourg, in the country of the President, and took place on 10 and 11 May 1979 in Edinburgh.

On 24 January 1979 the death occurred of Mr Heinrich MANDEL, a German member of the Consumers' category. He had been a member of the Committee since 1974.

The Committee was represented, by Mr JUDITH and Mr URBAIN, at the second Tripartite Conference on Employment, which was held in Brussels on 9 November 1978. The Committee was represented, by Mr JUDITH, at the ceremony in Athens on 28 May 1979 at which Greece signed the Treaty of Adhesion to the European Communities.

Cooperation with the Economic and Social Committee on matters of common concern continued. The President of the Committee, Sir Derek EZRA, the Vice-President, Mr ACKERMANN, together with Mr MAYR, representing the Workers' category, met the President of the Economic and Social Committee, Mme BADUEL GLORIOSO and her Vice-Presidents in Brussels on 8 March 1979. A Joint Energy Group of the two Committees was set up. On a more general level a Joint Declaration on the Problems of Industrial Restructuring in the Community was adopted by the two Committees. A joint delegation met Mr DAVIGNON, European Commissioner for Industrial Affairs, on 21 May 1979 to discuss industrial problems.
