Proposal for a

COUNCIL DECISION

**regarding the position to be taken by the Community within the
ACP-EC Council of Ministers with a view to a decision on
the adoption of the rules of procedure of the ACP-EC Development Finance
Cooperation Committee**

(presented by the Commission)

EXPLANATORY MEMORANDUM

By virtue of a Decision of 27 July 2000¹ the ACP-EC Council of Ministers implemented in advance, with effect from 2 August 2000, most of the provisions of the Cotonou ACP-EC Partnership Agreement, signed in Cotonou on 23 June 2000.

Article 83(1) of the ACP-EC Agreement sets up an ACP-EC Development Finance Cooperation Committee within the ACP-EC Council of Ministers.

Article 83(4) requires the ACP-EC Council of Ministers to adopt the rules of procedure of the ACP-EC Development Finance Cooperation Committee, including the conditions for representation and the number of members of the Committee, the detailed arrangements for their deliberations and the conditions for holding the chair.

It is therefore necessary for the Community to adopt a position on the adoption of the rules of procedure with a view to a decision by the ACP-EC Council of Ministers. The Commission is accordingly presenting the following proposal for a Council Decision.

The adoption of rules of procedure will enable the Development Cooperation Finance Committee to carry out the role assigned it under the Partnership Agreement.

The draft rules of procedure attached to this proposal are largely based on the previous rules,² suitably amended to bring them into line with the new ACP-EC Partnership Agreement.

The Commission therefore proposes that the Council adopt the attached Decision.
