This report is published under the responsibility of Directorate-General for Internal Market and Industrial Affairs. (III/A/1).

This report takes stock of the progress in the work engaged for the approximation of the laws of the Member States in the framework of the General Programme for the elimination of technical barriers to trade for industrial products, Programme adopted by the Council on 28 May 1969.

It is subdivided into three parts comprising the recapitulatory lists of directives and proposals for directives:

- I. Directives adopted by the Council
- II. Directives adopted by the Commission
- III. Proposals transmitted by the Commission to the Council and not yet adopted

The list, by sector, of Directives adopted will be found at the end of the report.
