OBSERVATION:

This bibliography has been compiled on the basis of works in the library of the European Parliament and includes a number of unpublished theses of which the library has a copy. Books and papers are listed as shown in the Contents.

Works are given in chronological order in each chapter; theses are listed separately at the end of each chapter. Works are mentioned only once under the relevant heading.

The Assembly set up by the Treaties of Rome decided on 20 March 1958 that its style should be "European Parliamentary Assembly"; this was changed to "European Parliament" on 30 March 1962.
