DOCUMENT 333/74

PROPOSAL

from the Commission of the European Communities  
to the Council

for a Regulation totally or partially suspending  
Common Customs Tariff duties on certain products,  
falling within Chapters 1 to 24 of the Common  
Customs Tariff, originating in Malta

EUROPEAN COMMUNITIES

Brussels, 4 November 1974

THE COUNCIL

Mr Cornelis Berkhouwer  
President of the Assembly  
Case postale 1601  
LUXEMBOURG  
(Grand Duchy of Luxembourg)

Dear Mr President,

I have the honour to inform you that, by letter of 22 October 1974, the Commission of the European Communities submitted to the Council a formal proposal for a Council Regulation totally or partially suspending Common Customs Tariff duties on certain products, falling within Chapters 1 to 24 of the Common Customs Tariff, originating in Malta.

At its meeting of 30 October 1974 the Council decided to consult the Assembly on this proposal, the text of which is attached (Doc. COM (74) 1672 final), and instructed me to forward this request for consultation to you.

In order to allow the customs administration enough time to take the necessary measures for this Regulation to enter into force on 1 January 1975, the Council must reach a decision on this proposal as soon as possible. It would therefore appreciate it if the Assembly could deliver its opinion at its November part-session.

Yours sincerely,

(sgd.) HOMMEL  
Secretary-General

# COMMISSION OF THE EUROPEAN COMMUNITIES

COM(74) 1672 final

Brussels, 18 October 1974

Proposal for a

REGULATION (EEC) OF THE COUNCIL

totally or partially suspending Common Customs Tariff duties  
on certain products, falling within Chapters 1 to 24 of the  
Common Customs Tariff, originating in Malta

(submitted to the Council by the Commission)

## EXPLANATORY MEMORANDUM

The Council has agreed that from 1 January 1974 Malta should be given treatment no less favourable than that accorded to the other countries which benefit from generalised preferences.

The object of the Regulation annexed hereto is to put this decision into practice; it extends to Malta, autonomously during 1975, the total or partial suspension of the Common Customs Tariff Duties on the products in Chapters 1 to 24 which the Commission proposed in connection with the generalised preferences.

The proposal concerns only those products which are of interest to Malta in respect of which Community treatment of Malta is no more favourable than the treatment given under the generalised preferences.

As the Regulation is based on Articles 43 and 113 of the Treaty establishing the European Economic Community, the European Parliament must be consulted.

Attention is drawn to the fact that both the content of the Regulation and the list of products annexed to it are directly related to the Commission's proposal to the Council concerning generalised preferences in respect to the products falling within Chapters 1 to 24 of the Common Customs Tariff (Doc. COM(74) 950 final of 19.6.1974).

The annexed proposal will therefore have to be aligned on the final text of the abovementioned Regulation when the latter has been adopted by the Council.

**Proposal for a  
REGULATION (EEC) OF THE COUNCIL**

**totally or partially suspending Common Customs Tariff duties on certain products, falling within Chapters 1 to 24 of the Common Customs Tariff, originating in Malta**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 43 and 113 thereof;

Having regard to Council Regulation (EEC) No 1059/69<sup>(1)</sup> of 28 May 1969 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products, as last amended by Regulation (EEC) No 1491/73<sup>(2)</sup>, and in particular Article 12 thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Whereas, under Annex I to the Agreement<sup>(3)</sup> establishing an Association between the European Economic Community and Malta, the Community must partially suspend the Common Customs Tariff duties applicable to certain products; whereas it also appears necessary provisionally to adjust or to supplement certain of the tariff benefits provided for in the abovementioned Annex; whereas, accordingly, the Community should, in respect of the products originating in Malta listed in Annex A to this Regulation, suspend either the fixed component of the levy applicable to goods coming under Regulation (EEC) No 1059/69 or the customs duty applicable to the other products for the period **from 1 January to 31 December 1975 and at the levels indicated for each of them;**

Whereas, for certain products of Chapters 1 to 24 of the Common Customs Tariff, this scheme would, however, involve the application in the new Member States in 1975 of customs duties higher than or very close to those applied by the new Member States to non-member countries in general on the basis of the Act of Accession; whereas, in order to maintain an equivalent preferential margin for these products also, reduced customs duties should be applied to them in accordance with the detailed rules based on the principle of maintaining in the new Member States a preference proportional to that which exists between the duties of the Common Customs Tariff and the duties given in Annex A to this Regulation; whereas, with a view to granting Malta the best possible treatment, in accordance with the objectives of the preference scheme, the duties given in Annex A should also be

applied wherever the duties calculated according to the abovementioned detailed rules prove to be higher than them,

HAS ADOPTED THIS REGULATION:

*Article 1*

**1. From 1 January**

to 31 December 1975, the products originating in Malta listed in Annex A shall be admitted for import into the Community as originally constituted at the customs duties indicated for each of them.

On importation into Denmark, Ireland and the United Kingdom, there shall be applied to the abovementioned products the customs duties determined by multiplying, by a coefficient equal to the margin of preferences existing between the duties given in Annex A and the Common Customs Tariff duties applicable, the duties obtained by reducing the difference between the lowest duty applied on 1 January 1972 to the developing countries and the Common Customs Tariff, by 40 % in respect of the products mentioned in Annex B, and by 60 % in respect of the other products given in Annex A.

However, the duties given in Annex A shall be applied where the duties resulting from the abovementioned calculation are higher than them.

2. For the purposes of the application of this Regulation, the rules of origin shall be those in force at the time as regards the implementation of the Agreement establishing an Association between the European Economic Community and Malta.

The rule whereby the condition requiring sufficient processing is waived in respect of products originating in the Community as originally constituted shall not, however, apply in the case of the abovementioned products when they undergo in Malta only insufficient working or processing as defined in items 1 to 6 of list A annexed to the Protocol to the aforesaid Agreement.

*Article 2*

When products benefiting from the arrangements provided for in Article 1 are imported in the Community in such quantities or at such prices that Commu-

<sup>(3)</sup> OJ No L 61, 14. 3. 1971, p. 3.

nity producers of products similar to or in direct competition with them suffer or are likely to suffer from serious disadvantage, the Common Customs Tariff duties may be reintroduced in whole or in part on the products in question. Such measures may also be taken in the event of actual or potential serious disadvantage in a single region of the Community.

*Article 3*

1. In order to ensure the application of Article 2, the Commission may decide, by means of a Regulation, to reintroduce the levying of customs duties for a limited period.

2. In the event of such action being requested by a Member State, the Commission shall take a decision within a period of not more than 10 working days from receipt of the request and shall inform the Member States of the action taken.

3. Any Member State may refer to the Council the measure taken by the Commission, within a period of not more than 10 working days after it has been informed thereof. The fact that the matter is referred to the Council shall not cause the measure to be suspended. The Council shall meet immediately. It may, acting on a qualified majority, amend or rescind the measure in question.

*Article 4*

This Regulation shall enter into force on  
**1 January 1975.**

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels,

*For the Council*  
*The President*
