COM(89) 196 final

Brussels, 31 May 1989

Proposal for a
COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2763/83 as regards arrangements
for processing under customs control

(presented by the Commission)

EXPLANATORY MEMORANDUM

1. Under Article 4(3) of Regulation (EEC) No 2763/83 of 21 September 1983 on arrangements permitting goods to be processed under customs control,¹ temporary measures (in the form of Commission Regulation (EEC) No 4032/83 of 21 December 1983²) were taken to supplement the list of goods eligible for the arrangements. Those measures enable certain vegetable oils to be processed under customs control for a limited period. It is up to the Council to transform these into definitive measures in order to prevent displacement of the processing operations concerned out of the Community and ensure that Community operators are competing on equal terms with those in third countries.

2. On 23 July 1987 the Council adopted Regulation (EEC) No 2658/87³, replacing the existing nomenclature of goods with the Combined Nomenclature with effect from 1 July 1988. Commission Regulation (EEC) No 4151/87 of 22 December 1987⁴ amended the list referred to in Article 2 of Regulation (EEC) No 2763/83 to take account of the entry into force of the Combined Nomenclature. Some of the codes in the list, however, have since been modified, and it is necessary to return to the classification of goods in the list annexed to Regulation (EEC) No 2763/83.

3. In the interests of clarity and for ease of comprehension, it is desirable to publish an updated version of the list.

That is the purpose of the proposed regulation herewith.

COUNCIL REGULATION (EEC)

amending

Regulation (EEC) No. 2763/83 as regards arrangements
for processing under customs control

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas the practice of levying charges on certain oils for processing in accordance with the tariff description of the imported goods leads to charges higher than is economically warranted in the light of the use made of them; whereas the excessive charge tends to lead to the displacement of this processing activity from the Community; whereas, for this reason, Commission Regulation (EEC) No. 4032/88 (1), in accordance with Article 2(3) of Council Regulation (EEC) No. 2763/83 (2), adopted temporary measures supplementing the list referred to in the said Article; whereas the said list should be amended in order to make that measure definitive; whereas babassu oil, referred to in Column I, falls within CN code 1513 21 19, not CN code 1513 29 30;

Whereas Commission Regulation (EEC) No 4151/87 (3) amended the list referred to in Article 2 of Regulation (EEC) No 2763/83 following the entry into force of the Combined Nomenclature; whereas the said nomenclature has since been amended again by Commission Regulation (EEC) No 3174/88 (4) in respect of certain codes in the lists annexed to Regulations (EEC) No. 4151/87 and (EEC) No 4032/88; whereas it is consequently necessary to return to the classification of goods in the list annexed to Regulation (EEC) No. 2763/83;

Whereas in the interests of clarity it is desirable to publish an updated version of the list referred to in Article 2 of Regulation (EEC) No 2763/83,

HAS ADOPTED THIS REGULATION :

(1) OJ No L 355, 23.12.1988, p. 36

(2) OJ NO L 272, 5.10.1983, p. 1

(3) OJ No L 391, 31.12.1987, p. 1

(4) OJ No L 298, 31.10.1988, p. 1

Article 1

The Annex to Regulation (EEC) No 2763/83 is hereby replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 July 1989.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels,

For the Council

The President
