Proposal for a

COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2915/79 determining the groups of products and the special provisions for calculating levies on milk and milk products

(presented by the Commission)

EXPLANATORY MEMORANDUM

The Community is granting a concession to Cyprus as regards the import arrangements for Halloumi cheese.

The concession consists in a reduction by up to half of the specific import levy provided for by Commission Regulation (EEC) No 1767/82.

The reduction of the levy requires in its turn the adjustment of the minimum import price applicable hitherto to the cheese in question.

An amendment to Council Regulation (EEC) No 2915/79 determining the groups of products and the special provisions for calculating levies on milk and milk products consequently proves necessary.
