Proposal for a  
COUNCIL REGULATION (EEC)

Extending the provisional anti-dumping duty on Imports of Potassium  
Permanganate originating in Czechoslovakia

(presented by the Commission)

## EXPLANATORY MEMORANDUM

1. By Regulation (EEC) No. 2535/89<sup>1</sup> the Commission imposed a provisional anti-dumping duty on imports into the Community of potassium permanganate originating in Czechoslovakia.
2. Due to the need for a thorough check of discrepancies appearing between import figures declared by the Czechoslovakian exporter and those contained in Community statistics, the examination of the facts could not be completed within three months after the imposition of the provisional duty.
3. Consequently, the Commission considers that it is necessary to extend the period of validity of the provisional duty for a further period of two months. The Czechoslovakian exporter concerned was informed in this respect and did not object.
4. On the basis of Article 11(5) of Council Regulation (EEC) No. 2423/88 the Commission submits to the Council, therefore, a proposal for a Council Regulation extending the provisional anti-dumping duty on imports of potassium permanganate originating in Czechoslovakia, by a further period of two months.
