COUNCIL REGULATION (EC)

94/ 0318(ACC)

on certain procedures for applying the Europe Agreement
establishing an association between the European Communities
and their Member States, of the one part,
and the Republic of Bulgaria, of the other part

(presented by the Commission)

EXPLANATORY MEMORANDUM

The Community signed Europe Agreements with Romania and Bulgaria on 1 February 1993 and 8 March 1993 respectively.

The proposed Regulations introduce the modalities for the application of certain safeguard measures and measures of commercial protection contained in these Agreements and provide a legal basis enabling the Commission to implement the provisions of these Agreements concerning agricultural products.

The objective of the proposed implementing Regulations is the introduction of specific rules to the general provisions concerning the Community's import regime (including the provisions establishing protection against subsidies and dumping practices in relation to imports from third countries) in order to respect the obligations undertaken in the Agreements.

Similar Regulations have been adopted for the implementation of such measures under the Interim and Europe Agreements concluded with Poland and Hungary.

To allow the Europe Agreements with Romania and Bulgaria to enter into force on February 1, 1995, a Council and Commission Decision on the conclusion of these Agreements has to be adopted in December 1994. Also the proposed implementing regulations must be adopted before the entry into force of the Agreements. Certain Member States insist that the Conclusion Decision should be accompanied by these implementing regulations.

The Commission therefore requests the Council to adopt the proposed Regulations in view of the entry into force of the Europe Agreements with Romania and Bulgaria anticipated for February 1, 1995.

on certain procedures for applying the Europe Agreement
establishing an association between the European Communities

and the Romania, of the other part

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas a Europe Agreement establishing an association between the European Communities and their Member States, of the one part, and the Romania, of the other part, hereinafter referred to as 'the Agreement', was signed in Brussels on 1 February 1993;

Whereas pending the entry into force of the Europe Agreement, its provisions on trade and trade-related matters have been given effect since 1 May 1993 by an Interim Agreement on trade and trade-related matters between the European Economic Community and the European Coal and Steel Community, of the one part, and the Romania, of the other part, signed in Brussels on 1 February 1993¹;

Whereas pursuant to the conclusions of the Copenhagen European Council on 21 and 22 June 1993 regarding new trade concessions for the Central and Eastern European countries, an Additional Protocol to the Interim Agreement was concluded on 20 December 1993² by the European Community and the European Coal and Steel Community, of the one part, and Romania, of the other part;

Whereas it is necessary to lay down the procedures for applying certain provisions of the Agreement;

Whereas, with regard to trade protection measures, it is appropriate, where the provisions of the Agreement render it necessary, to lay down specific provisions concerning the general rules provided for in particular in Council Regulation (EC) Nr 518/94 of 7 March 1994 on common rules for imports³ and in Council Regulation (EC) Nr 521/94 of 7 March 1994 on protection against dumped or subsidised imports from countries not members of the European Community⁴;

Whereas account should be taken of the undertakings set out in the Agreement when examining whether a safeguard measure should be introduced;

¹ OJ Nr L 81, 2.04.1993, p. 2

² OJ Nr L 25, 29.01.1994, p.21

³ OJ Nr L 67, 10.03.1994, p.77

⁴ OJ Nr L 66, 10.03.1994, p.7

Whereas the procedures concerning safeguard clauses provided for in the Treaty establishing the European Community are also applicable;

Whereas specific provisions have been adopted for safeguard measures concerning the textile products covered by Protocol 1 of the Agreement;

Whereas certain special procedures should be introduced for the application of safeguard measures in the agricultural sectors,

HAS ADOPTED THIS REGULATION:

TITLE I

Article 2

The Council may, in accordance with the procedures provided for in Article 113 of the Treaty, decide to refer to the Association Council established by the Agreement with regard to the measures provided for in Articles 29 and 119(2) of the Agreement. Where necessary, the Council shall adopt these measures in accordance with the same procedure.

The Commission may, on its own initiative or at the request of a Member State, present the necessary proposals to this end.

Article 3

1. In the case of a practice that may justify application by the Community of the measures provided for in Article 64 of the Agreement, the Commission, after examining the case,

⁵ OJ Nr L181, 1.07.1992, p.21

on its own initiative or at the request of a Member State, shall decide whether such practice is compatible with the Agreement. Where necessary, it shall propose the adoption of safeguard measures to the Council, which shall act in accordance with the procedure laid down in Article 113 of the Treaty, except in the cases of aid to which Regulation (EC) Nr 521/94 applies, when measures shall be taken according to the procedures laid down in that Regulation. Measures shall be taken only under the conditions set out in Article 64(6) of the Agreement.

2. In the case of a practice that may cause measures to be applied to the Community by Romania on the basis of Article 64 of the Agreement, the Commission, after examining the case, shall decide whether the practice is compatible with the principles set out in the Agreement. Where necessary, it shall take appropriate decisions on the basis of the criteria which result from the application of Articles 85, 86 and 92 of the Treaty.

Article 4

In the case of a practice which is liable to warrant the application, by the Community, of the measures provided for in Article 30 of the Agreement, the introduction of anti-dumping measures shall be decided upon in accordance with the provisions laid down in Regulation (EC) Nr 521/94 and the procedure provided for in Article 34(2) and (3)(b) or (d) of the Agreement.

Article 5

1. If the Commission decides not to apply safeguard measures, it shall inform the Council and the Member States accordingly within five working days of receipt of the request from the Member State.

Any Member State may refer this decision of the Commission to the Council within ten working days of its notification.

If the Council, acting by the qualified majority, indicates its intention to adopt a different decision, the Commission shall inform Romania thereof forthwith and shall notify it of the opening of the consultations within the Association Council as provided for in Article 34(2) and (3) of the Agreement.

The Council, acting by a qualified majority, may take a different decision within twenty working days of the conclusion of the consultations with Romania within the Association Council.

-it shall inform the Member States forthwith if acting on its own initiative or, if it is responding to a Member State's request, within five working days of the date of receipt of that request,

-it shall consult the Committee,

-at the same time it shall inform Romania and notify the Association Council of the opening of consultations as referred to in Article 34(2) and (3) of the Agreement,

4. In any event, the consultations within the Association Council shall be deemed to be completed thirty days after the notification referred to in the fourth sub paragraph of paragraph 1 and in paragraph 3.

At the end of the consultations or on expiry of the period of thirty days, and if no other arrangement proves possible, the Commission, after consulting the Committee, may take appropriate measures to implement Articles 31 and 32 of the Agreement.

5. The decision referred to in paragraph 4 shall be notified forthwith to the Council, the Member States and Romania; it shall also be notified to the Association Council.

The decision shall be immediately applicable.

6. Any Member State may refer the Commission decision referred to in paragraph 4 to the Council within ten working days of receiving notification of the decision.

8. In the cases referred to in paragraphs 6 and 7 the Council, acting by a qualified majority, may adopt a different decision within two months.

Article 7

The procedures laid down in Articles 5 and 6 shall not apply to products covered by Protocol 1 of the Agreement.

Article 8

By way of derogation from Articles 5 and 6, if the circumstances demand that measures are taken concerning agricultural products on the basis of Articles 22 or 31 of the Agreement or on the basis of provisions in the Annexes covering these products, such measures shall be taken according to procedures provided for by the rules establishing a common organization of the agricultural markets, or in specific provisions adopted under Article 235 of the Treaty and applicable to products resulting from the processing of agricultural products, provided that the conditions established under Article 22 or Article 34(2) and (3) of the Agreement are met.

Article 9

Notification to the Association Council as required by the Agreement shall be the responsibility of the Commission, acting on behalf of the Community.
