(presented by the Commission)

EXPLANATORY MEMORANDUM

The Community signed on July 18, 1994 the Agreements on free trade and trade-related matters with Estonia, Latvia and Lithuania.

The proposed Regulations introduce the modalities for the application of certain safeguard measures and measures of commercial protection contained in these Agreements and provide a legal basis enabling the Commission to implement the provisions of these Agreements concerning agricultural products.

The objective of the proposed implementing Regulations is the introduction of specific rules to the general provisions concerning the Community's import regime (including the provisions establishing protection against subsidies and dumping practices in relation to imports from third countries) in order to respect the obligations undertaken in the Agreements on free trade and trade-related matters.

Similar Regulations have been adopted for the implementation of such measures under the Interim Agreements concluded with Poland and Hungary (Regulations (EEC) N° 518/92. 29.2.92 p.3 and 519/92. 29.2.92 p. 6)†

In view of the entry into force of the Agreements on free trade and trade-related matters, anticipated for January 1, 1995, the Commission is requesting the Council to adopt the proposed Regulations.

on certain procedures for applying the Agreement on free trade and trade-related matters between the European Community, the European Atomic Energy Community and the European Coal and Steel Community, of the one part, and the Republic of Estonia, of the other part

THE COUNCIL OF THE EUROPEAN UNION,
Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas an Agreement on free trade and trade-related matters between the European Community, the European Atomic Energy Community and the European Coal and Steel Community, of the one part, and the Republic of Estonia of the other part (hereinafter referred to as 'the Agreement') was signed in Brussels on 18 July 1994;

Whereas it is necessary to lay down the procedures for applying certain provisions of the Agreement;

Whereas, with regard to trade protection measures, it is appropriate, where the provisions of the Agreement render it necessary, to lay down specific provisions concerning the general rules provided for in particular in Council Regulation (EEC) N° 518/94 of 7 March 1994 on common rules for imports¹ and in Council Regulation (EEC) N° 2423/88 of 11 July 1988 on protection against dumped or subsidized imports from countries not members of the European Community².

Whereas account should be taken of the undertakings set out in the Agreement when examining whether a safeguard measure should be introduced;

Whereas the procedures concerning safeguard clauses provided for in the Treaty are also applicable;

Whereas specific provisions for safeguard measures concerning the textile products covered by Protocol I of the Agreement are included in that Protocol;

Whereas certain special procedures should be introduced for the application of safeguard measures in the agricultural sectors,
