Europe Agreements between the European Communities and their Member States and the Czech and Slovak Republics respectively.

- Proposal for EC Regulations introducing the modalities for the application of certain safeguard- and trade protection measures contained in the Europe Agreements.
 - Request for unanimous assent to the proposed Commission Decisions on ECSC aspects
-

1. The Community and its Member States signed on December 16, 1991 the Europe Agreement with the Czech and Slovak Federal Republic (CSFR). To allow its trade provisions to enter into force as soon as possible, the parties signed an Interim Agreement on trade and trade related matters on the same day. This Agreement entered into force on March 1, 1992. To implement certain safeguard measures and measures of trade protection provided for in the Interim Agreement the Council has adopted EEC Regulation n° 520/92¹. With regard to the ECSC aspects, the Commission Decision N° 524/92² provided for the implementing measures of the Interim Agreement.
2. In view of the dissolution of the CSFR as of 1 January 1993 the Czech and the Slovak Republics respectively and the European Communities signed on December 21, 1993 a Supplementary Protocol to the Interim Agreement between the EC and the CSFR by which the Parties agree to continue to apply the Interim Agreement with regard to the Czech and the Slovak Republics respectively as of 1/1/93, with certain modifications to tariff quotas and ceilings.
3. Also in view of the dissolution of the CSFR as of 1 January 1993 the European Communities and its Member States had to negotiate separate Europe Agreements with the Czech and the Slovak Republics to replace the Europe Agreement signed with the CSFR on 16 December 1991. These Agreements were signed on October 4, 1993.
4. The modalities of application of the provisions of the Europe Agreements concerning certain safeguard- and of trade protection measures must be laid down by similar regulations as those applied for such measures in the Interim Agreement. The annexed proposals submitted to the Council aim at establishing these modalities.
5. With a view to the anticipated entry into force of the two Europe Agreements with the Czech and the Slovak Republics by no later than 1 February 1995, the Commission requests the Council as a matter of urgency to :
 - adopt the proposed Regulations
 - give its unanimous assent to the draft Commission Decisions on ECSC aspects (the ECSC Committee is being simultaneously consulted and is expected to give an answer on 16 December 1994).

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas a Europe Agreement establishing an association between the European Communities and their member States, of the one part, and the Czech and Slovak Federal Republic (CSFR), of the other part, was signed in Brussels on 16 December 1991;

Whereas pending the entry into force of the Europe Agreement, its provisions on trade and trade-related matters have been given effect since 1 March 1992 by an Interim Agreement on trade and trade-related matters between the European Economic Community and the European Coal and Steel Community, of the one part, and the CSFR, of the other part¹, signed in Brussels on 16 December 1991;

Whereas Council Regulation (EEC) N° 520/92², provides for the implementation of the said Interim Agreement;

Whereas a separate Europe Agreement with the Czech Republic was signed in Luxembourg on 4 October 1993, as a consequence of the dissolution of the CSFR on 31 December 1992;

Whereas pursuant to the conclusions of the Copenhagen European Council on 21 and 22 June 1993 the Interim Agreement was amended by an Additional Protocol signed on 22 December 1993 in order to increase and accelerate the granting of certain Community concessions;

Whereas a Supplementary Protocol to the Interim Agreement was signed with the Czech Republic on 21 December 1993 in order to adapt this Agreement to the dissolution of the CSFR and the subsequent succession thereto by the Czech Republic;

Whereas it is necessary to lay down the procedures for applying various provisions of the Europe Agreement, incorporating the same provisions as those of regulation (EEC) N° 520/92;

Whereas, with regard to trade protection measures, it is appropriate, where the provisions of the Europe Agreement render it necessary, to lay down specific provisions concerning the general rules provided for in particular in Council Regulation (EC) N° 518/94 of 7 March 1994 on common rules for imports³ and in Council Regulation (EEC) n° 2423/88 of 11 July 1988 on protection against dumped or subsidized imports from countries not members of the European Economic Community⁴;

Whereas account should be taken of the undertakings set out in the Europe Agreement when examining whether a safeguard measure should be introduced;

Whereas the procedures concerning safeguard clauses provided for in the Treaty establishing the European Community are also applicable;

Whereas specific provisions have been adopted for safeguard measures concerning the textile products covered by the additional Protocol to the Europe Agreement;

Whereas certain special procedures should be introduced for the application of safeguard measures in the agricultural sectors;

on certain procedures for applying the Europe Agreement establishing an association between the European Communities and their Member States, of the one part, and the Slovak Republic, of the other part

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Article 74 and the first sub-paragraph article 95 thereof,

Whereas a Europe Agreement establishing an association between the European Communities and their member States, of the one part, and the Czech and Slovak Federal Republic (CSFR), of the other part, was signed in Brussels on 16 December 1991;

Whereas pending the entry into force of the Europe Agreement, its provisions on trade and trade-related matters have been given effect since 1 March 1992 by an Interim Agreement on trade and trade-related matters between the European Economic Community and the European Coal and Steel Community, of the one part, and the CSFR, of the other part¹, signed in Brussels on 16 December 1991;

Whereas pursuant to the conclusions of the Copenhagen European Council on 21 and 22 June 1993 regarding new trade concessions for the Central and Eastern European countries, an Additional Protocol to the Interim Agreement was signed on 28 December 1993 by the European Economic Community and the European Coal and Steel Community of the one part, and the Slovak Republic, of the other part².

Whereas Commission Decision n° 524/92/ECSC³ lays down certain procedures for the implementation of the provisions contained in Protocol 2 of the Interim Agreement on ECSC products;

Whereas a separate Europe Agreement with the Slovak Republic was signed in Luxembourg on 4 October 1993, as a consequence of the dissolution of the CSFR on 31 December 1992;

Whereas a Supplementary Protocol to the Interim Agreement was signed with the Slovak Republic on 21 December 1993 in order to

adapt the Agreement to the dissolution of the CSFR and the subsequent succession thereto by the Slovak Republic;

Whereas it is necessary to lay down the procedures for applying various provisions of the Europe Agreement and in particular those contained in Protocol 2 on ECSC products by adopting provisions similar to those provided for in Decision n° 524/92;

Whereas account should be taken of the undertakings set out in the Europe Agreement when examining whether a safeguard measure should be introduced;

Whereas certain measures provided for in the Agreement go beyond the power of action provided for in the Treaty and it is therefore necessary in this case to refer to the provisions of article 95 after consultation with the consultative Committee and with the unanimous assent of the Council;

EXPLANATORY MEMORANDUM

The proposed Decisions introduce the modalities for the application, as far as ECSC products are concerned, of certain safeguard measures and measures of commercial protection contained in the Agreements on free trade and trade related matters.

The Community signed on July 18, 1994 the Agreements on free trade and trade related matters with Estonia, Latvia and Lithuania respectively.

The objective of the proposed Decisions is the introduction of specific rules to the general provisions concerning the Community's import regime (including the provisions establishing protection against subsidies and dumping practices in relation to imports from third countries) in order to respect the obligations undertaken in the Free Trade Agreements.

In view of the entry into force of the Agreements on free trade and trade related matters, the Commission is requesting the Council to give its unanimous assent to the proposed Decisions, in order to allow the Commission to adopt these decisions. Pursuant to article 95 of the ECSC Treaty, the ECSC Consultative Committee is being simultaneously consulted.

Whereas, as regards measures of commercial protection it is necessary to lay down specific provisions concerning the general rules set out in Commission Decision No 2424/88/ECSC of 29 July 1988 on protection against dumped or subsidized imports from countries not members of the European Coal and Steel Community¹ where the Agreement makes this necessary;

Whereas account should be taken of the undertakings set out in the Agreement when examining whether a safeguard measure should be introduced;

EXPLANATORY MEMORANDUM

The Community signed Europe Agreements with Romania and Bulgaria on 1 February 1993 and 8 March 1993 respectively.

The proposed Decisions introduce the modalities for the application of certain safeguard measures and measures of commercial protection contained in these Agreements for ECSC products.

The objective of the proposed Decisions is the introduction of specific rules to the general provisions concerning the Community's import regime (including the provisions establishing protection against subsidies and dumping practices in relation to imports from third countries) in order to respect the obligations undertaken in the Agreements.

Similar Decisions have been adopted for the implementation of such measures under the Interim and Europe Agreements concluded with Poland and Hungary.

In view of the entry into force of the Europe Agreements the Commission is requesting the Council to give its unanimous assent for the proposed Decisions, in order to allow the Commission to adopt these decisions. Pursuant to article 95 of the ECSC Treaty, the ECSC Consultative Committee is being simultaneously consulted.

**on certain procedures for applying the Europe Agreement
establishing an association between the European Communities

and the Republic of Bulgaria, of the other part**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Article 74 and the first subparagraph of Article 95 thereof,

Whereas a Europe Agreement establishing an association between the European Communities and their Member States, of the one part, and the Republic of Bulgaria, of the other part, hereinafter referred to as 'the Agreement', was signed in Brussels on 8 March 1993;

Whereas pending the entry into force of the Europe Agreement, its provisions on trade and trade-related matters have been given effect since 31 December 1993 by an Interim Agreement on trade and trade-related matters between the European Economic Community and the European Coal and Steel Community, of the one part, and the Republic of Bulgaria, of the other part, signed in Brussels on 8 March 1993¹;

Whereas pursuant to the conclusions of the Copenhagen European Council on 21 and 22 June 1993 regarding new trade concessions for the Central and Eastern European countries, an Additional Protocol to the Interim Agreement was concluded on 20 December 1993 by the European Economic Community and the European Coal and Steel Community, of the one part, and Bulgaria, of the other part²;

Whereas it is necessary to lay down the procedures for applying various provisions of the agreement and in particular those contained in Protocol 2 on ECSC;

Whereas, as regards measures of commercial protection it is necessary to lay down specific provisions concerning the general rules set out in Commission Decision N° 2424/88/ECSC of 29 July 1988 on protection against dumped or subsidised imports from countries not members of the European Coal and Steel Community³ where the Agreement makes this necessary;

Whereas account should be taken of the undertakings set out in the Agreement when examining whether a safeguard measure should be introduced;

Whereas it is desirable to ensure that the rules for the application of the Agreement should be similar for both the European Community and the European Coal and Steel Community;
