Proposal for a

COUNCIL REGULATION (EC)

establishing certain measures concerning imports of processed agricultural products from Switzerland in order to take account of the results of the Uruguay Round negotiations in the agricultural sector

(presented by the Commission)

Explanatory memorandum

1. The Council Decision of 22 December 1994 concerning the conclusion of the agreements reached in the Uruguay Round multilateral negotiations (1986-1994) was implemented for certain agricultural products on 1 July 1995. These agreements provide for the application of specific amounts to processed agricultural products in place of the previous variable components.
2. The existing free trade agreement with Switzerland contains a protocol specifically relating to processed agricultural products. This protocol currently provides only for variable components to be applied, upon import, to certain processed agricultural products. These variable components have been replaced by specific amounts following the implementation of the agreements on agriculture concluded during the Uruguay Round multilateral negotiations. In order to avoid disturbing traditional trade flows and to maintain the existing level of reciprocal preferences, it has proved necessary to make certain technical adjustments by introducing reduced specific amounts.
3. All the changes necessary to implement the results of the Uruguay Round negotiations have been negotiated with Switzerland and will be incorporated in the existing Protocol. However, in view of the fact that these negotiations will not be completed by 1 July 1997, it is necessary to adopt autonomous measures in order to maintain the existing level of reciprocal preferences pending the conclusion of the negotiations.

For these reasons, the Commission proposes that the Council adopt the following Regulation.

**Proposal Council Regulation (EC) No .../ of ...
establishing certain measures concerning imports of processed agricultural
products from Switzerland in order to take account of the results of the Uruguay
Round negotiations in the agricultural sector**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas, under the preferential agreement between the European Community and Switzerland, concessions regarding certain processed agricultural products have been granted on a reciprocal basis;

Whereas, further to Council Decision 94/800/EC of 22 December 1994 concerning the conclusion on behalf of the European Community, as regards matters within its competence, of the agreements reached in the Uruguay Round multilateral negotiations (1986-1994)¹, certain concessions regarding processed agricultural products have been amended as from 1 July 1995;

Whereas as a result certain aspects of the agreement concluded with Switzerland, and in particular the protocol concerning processed agricultural products annexed to this agreement, should be adjusted in order to maintain the existing level of reciprocal preferences;

Whereas to that end negotiations are still in progress with Switzerland with a view to the conclusion of amendments to this protocol; whereas, however, it is not possible to conclude these negotiations in time in order to implement the necessary adjustments on 1 July 1997;

Whereas in those circumstances it is appropriate for the European Community to adopt autonomous measures in order to maintain the existing level of reciprocal preferences, pending the conclusion of negotiations;

HAS ADOPTED THIS REGULATION:

¹ OJ No L 336, 23.12.1994, p. 1.

Article 1

1. From 1 July 1997 to 30 June 1998, the basic amounts to be taken into account in the calculation of the agricultural components and the additional duties applicable at importation into the Community of goods originating in Switzerland shall be those mentioned in the annex to this Regulation.
2. The Commission may, in accordance with the procedure laid down in Article 16 of Council Regulation (EC) No 3448/93², suspend application of the measures provided for in paragraph 1 if Switzerland discontinues the application of its reciprocal measures in favour of the Community.

Article 2

This Regulation shall enter into force on the day of its publication in the Official Journal of the European Communities.

It shall apply with effect from 1 July 1997.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

OBSERVATIONS:	The Regulation as proposed does not have any financial impact since the specific duties to be applied are essentially the same as those currently in force. In view of the fact that the Regulation provides for a standstill based on an average of the variable components applied during 94/95 to maintain the traditional trade flows, the customs duties are not changing significantly.
