Proposal for a

COUNCIL DECISION

on a Common Position of the Community concerning a Decision of the Joint Committee set up under the Free Trade Agreement between the European Communities and their Member States, of the one part, and the Republic of Lithuania, of the other part, revising Annex VI of this Agreement concerning trade in textile products.

(presented by the Commission)

EXPLANATORY MEMORANDUM

Article 10 (1) of the Free Trade Agreement between the European Communities and their Member States, of the one part, and the Republic of Lithuania, of the other part, provides that the conditions for custom duties suspension for textile products of Lithuanian origin listed in Annex VI of this Agreement may be revised by decision of the Joint Committee, in accordance with the procedures set out in Article 39 which provides that the Joint Committee shall have the power to take decisions. The decisions taken by the Joint Committee shall be binding on the Parties which shall take the measures necessary to implement the decisions taken.

Annex VI to this Agreement provides a list of textile products originating in Lithuania and subject to Community tariff ceilings. For imports in excess of these annual ceilings, the Community may re-establish customs duties at any time of the year concerned. In 1996, the Community re-introduced normal customs duties on quantities exceeding the agreed tariff ceilings as of 26 October (valid until 31 December 1996) for textile products in only two categories 4 (shirts and t-shirts) and 7 (women's blouses).

Following a request from the Lithuanian authorities, technical consultations between experts took place in January, March and April 97, with a view to examine possibilities for increasing tariff ceilings on some textile products (categories 2,3,4,5,6,7,8,12,13,14,15,17,20,26, 27,28,36,42,50,66,117,118,161) of Annex VI in 1997 by the EC in exchange for concessions, in 1997, from Lithuania on EU priority clothing exports. Following these consultations, the Lithuanian authorities are ready to reduce custom duties from the present rate of 15% to 5% on the HS lines belonging to categories 4,5,6,7, 8, 9,12,13,20,33, 34, 35,36,37, 39,42,61,62,65, 88 and from the present rate of 25% to 20% for category 58.

As a result of these consultations, it is proposed that the Joint Committee decides to increase tariff ceilings for some products originating in Lithuania in 1997 in exchange for concessions from Lithuania on priority clothing products originating in the Community.

The Commission therefore asks the Council to adopt the attached proposal for a Council decision.
