This copy shall be exchanged for the original held by the Executive Director.

Rule 15

Splitting of Consignments

(a) A certifying Agency may, on request, issue Certificates for Splitting of Consignments to permit the splitting of a consignment of cocoa covered by a single valid original Certificate.

(b) The Certificate for Splitting of Consignments shall be in Form ICC-3 prescribed in Annex III and shall be issued in accordance with this Rule.

(c) Certificates for Splitting of Consignments shall be issued by the Certifying Agency only upon the surrender of the valid original Certificate and presentation of satisfactory evidence of the location of the consignment.

(d) The original of each Certificate for Splitting of Consignments shall be validated by the affixation thereto of Stamps for Splitting of Consignments issued in accordance with Rule 17 which shall be cancelled by the Certifying Agency in such a manner that they cannot be used again but can still be deciphered without difficulty. The provisions of paragraph (c) of Rule 9 shall apply, mutatis mutandis, to the splitting of consignments.

(e) If the destination is a Member country, the original of the valid Certificate for Splitting of Consignments shall be given to the re-consignor or his agent and shall accompany the shipping documents to the new consignee. The blue copy of each Certificate for Splitting of Consignments described in paragraph (b) of Rule 18 as well as the relevant valid original Certificate surrendered shall be sent to the Executive Director by the Certifying Agency as far as possible within one month of the date of issue. The Member importing the cocoa shall collect and forward the original of the valid Certificate for Splitting of Consignments to the Executive Director, after completion of Part B thereof, soon after the importation but as far as possible within one month of the importation.

(f) In the case of cocoa afloat and destined for a non-member or within the territory of a non-member, the Certificate for Splitting of Consignments shall be issued by the Executive Director upon production of the blue copy described in paragraph (b) of Rule 18 and referred to in Rules 11 and 13, and upon

(g) Rule 14 shall apply if the splitting of consignments involves a change or changes of destination for the whole or part of the quantity covered by the single valid original Certificate surrendered to the Certifying Agency. The new country and port of destination or the unchanged destination, as appropriate, shall be inserted in each of the Certificates for Splitting of Consignments Form ICC-3. The total of the Certificates for Splitting of Consignments Form ICC-3 issued in replacement of the single valid original Certificate surrendered to the Certifying Agency shall take the place of the new Certificate referred to in sub-paragraph (ii) of paragraph (b) of Rule 14. In this case, the word "partial" in space 15 in the body of the Certificate for Splitting of Consignments Form ICC-3 shall not be cancelled.

(h) In addition to the procedure outlined in paragraphs (a), (b), (c), (d), (e) and (g), the respective institutions in each Member country may take other practical measures considered necessary for the implementation and achievement of the objectives of this Rule. Such measures shall be approved by the Executive Committee.
