Proposal for a

COUNCIL REGULATION

laying down the Conditions of Employment of Staff
of the European Centre for the Development of Vocational
Training

Proposal for a

COUNCIL REGULATION

laying down the Conditions of Employment of Staff
of the European Foundation for the Improvement of Living
and Working Conditions

(presented to the Council by the Commission)

EXPLANATORY MEMORANDUM

I. By Regulations No 337/75 of 10 February 1975 and No 1365/75 of 26 May 1975 respectively, the Council decided to set up a European Centre for the Development of Vocational Training and a European Foundation for the Improvement of Living and Working Conditions. Both Regulations specify that provisions governing the staff of the Centre and the Foundation are to be adopted by the Council, acting on a proposal from the Commission.

For obvious reasons, the Commission considers that the Conditions of Employment of staff of these two agencies and any other similar bodies that may be established should be the same as far as possible.

The Commission therefore proposes identical Conditions of Employment for the staff of the Centre and the Foundation.

II. Three types of personnel are involved:

(A) The staff properly so called, whose Conditions of Employment are based largely on the provisions applying to temporary staff of the European Communities. It is logical that staff who, in limited numbers, are to be recruited on as broad a geographical basis as possible should be offered material conditions comparable to those applying to Community staff members, i.e. they must be identical whatever the place of employment and such as will encourage suitable people to leave their job in their own country in exchange for a contractual (therefore highly terminable) position in one of these agencies.

However, there are two exceptions to this general principle:

(i) the social security arrangements should permit staff to remain affiliated to their existing social security scheme; staff should not be obliged to leave their national social security scheme for the period, of whatever length, of their employment in either of these agencies. It is for this reason that the Commission proposal takes over the arrangements for auxiliary staff in the Conditions of Employment of Other Servants;

- (ii) the length of contract; it is essential that the contract can be concluded for an indefinite period where this is in the interests of the Centre or the Foundation.
- (B) Local staff engaged to perform manual or service duties will be subject to the conditions laid down for local staff of the Commission in the same place of employment.
- (C) The Director and Deputy Director of these agencies are to be engaged on conditions determined by the Administrative Board or Management Board. Obviously, account will have to be taken of the personal situation of those concerned as far as is possible and as far as is essential for recruiting persons with the abilities required for these difficult posts.

PROPOSAL

FOR A REGULATION (EEC, ECSC, EURATOM) No ... OF THE COUNCIL

of

laying down the Conditions of Employment of Staff of the
European Centre for the Development of Vocational Training¹

(presented to the Council by the Commission)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation No 337/75 (2), of 10 February 1975 establishing a European Centre for the Development of Vocational Training and in particular Article 13 thereof;

It shall facilitate such further training and instruction for staff as is compatible with the proper functioning of the service and is in accordance with its own interests.

Article 21

Any decision relating to a specific individual which is taken under these Conditions of Employment shall at once be communicated in writing to the staff member concerned. Any decision adversely affecting a staff member shall state the reasons on which it is based.

CHAPTER 3

CONDITIONS OF ENGAGEMENT

Article 23

1. The engagement of staff shall be directed to securing for the Centre the services of persons of the highest standard of ability, efficiency and integrity, recruited on the broadest possible geographical basis from among nationals of the Member States of the European Communities.

Staff shall be selected without reference to race, creed or sex.

2. A staff member may be engaged only on condition that:

- (c) he is of the character required for the performance of his duties;
- (d) he is physically fit to perform his duties; and
- (e) he produces evidence of a thorough knowledge of one of the languages of the Communities and of a satisfactory knowledge of another language of the Communities to the extent necessary for the performance of his duties.

Article 24

Before being engaged, a staff member shall be medically examined by a medical officer appointed by the Centre in order that the Centre may be satisfied that he fulfils the requirements of Article 23(2)(d).

Article 25

A staff member may be required to serve a probationary period not exceeding six months.

On expiry of the probationary period, the employment of a staff member whose work has not proved adequate shall be terminated. In such case, the staff member shall receive compensation equal to one third of his basic salary for each complete month worked on probation.

CHAPTER 4

WORKING CONDITIONS

Article 26

Staff in active employment shall at all times be at the disposal of the Centre.

However, the normal working week shall not exceed forty hours, the hours of the working day to be determined by the Director.

Article 27

Staff may not be required to work overtime except in cases of urgency or exceptional pressure of work; night work and all work on Sundays or

public holidays may be authorized only in accordance with the procedure laid down by the Director.

The total overtime which a staff member may be asked to work shall not exceed 150 hours in any six months.

Overtime worked by staff in Categories A and B shall carry no right to compensation or remuneration.

As provided in Annex II, overtime worked by staff in Categories C and D shall entitle them either to compensatory leave or to remuneration where the exigencies of the service do not allow compensatory leave during the month following that in which the overtime was worked.

Article 28

Staff shall be entitled to annual leave of not less than twenty-four working days nor more than thirty working days per calendar year, in accordance with rules to be laid down by the Management Board in agreement with the Commission of the European Communities, after consulting the Staff Committee.

Apart from this annual leave, staff may exceptionally, on application, be granted special leave. The rules relating to such leave are laid down in Annex III.

Article 29

Pregnant women shall, in addition to the leave provided for in Article 28, be entitled on production of a medical certificate to leave starting six weeks before the expected date of confinement shown in the certificate and ending eight weeks after the date of confinement; such leave shall not be for less than fourteen weeks.

Article 30

1. A staff member who provides evidence of incapacity to perform his duties because of sickness or accident shall automatically be entitled to paid sick leave.

He shall notify the Centre of his incapacity as soon as possible and at the same time state his present address. He shall produce a medical certificate if he is absent for more than three days. He may be required to undergo a medical examination arranged by the Centre.

If, over a period of twelve months, a staff member is absent for up to three days because of sickness for a total of more than twelve days, the Director shall take a decision on the advice of the Centre's medical officer after consulting a medical practitioner appointed by the staff member.

Paid sick leave shall not, however, exceed the length of time, which must in any event be not less than one month, worked by the staff member. The leave shall not extend beyond the term of his contract.

On expiry of these time limits, a staff member whose contract is not terminated, notwithstanding that he is unable to resume his duties, shall be placed on unpaid leave.

However, where a staff member contracts an occupational disease or sustains an accident in the performance of his duties, he shall continue to receive his full remuneration throughout the period during which he is incapable of working until such time as he is awarded an invalidity pension.

2. Staff shall undergo a medical check-up every year either by the Centre's medical officer or by a medical practitioner chosen by them.

In the latter case, the practitioner's fees shall be payable by the Centre up to a maximum fixed by the Management Board.

Article 31

Except in case of sickness or accident, a staff member may not be absent without prior permission from his immediate superior. Without prejudice to any disciplinary measures that may apply, any unauthorized absence which is duly established shall be deducted from the annual leave of the person concerned. If he has used up his annual leave, he shall forfeit his remuneration for an equivalent period.

If a staff member wishes to spend sick leave elsewhere than at the place where he is employed, he shall obtain prior permission from the Director.

Article 32

A list of public holidays shall be drawn up by the Management Board in agreement with the Commission of the European Communities after consulting the Staff Committee.

Article 33

In exceptional circumstances a staff member may at his own request be granted unpaid leave on compelling personal grounds. The Director shall determine the length of such leave, which shall not exceed one quarter of the length of time already worked or three months, whichever is the shorter.

Any period of leave granted in accordance with the preceding paragraph shall not count for purposes of the application of the second paragraph of Article 35.

Article 34

A staff member who is recalled to serve in the armed forces shall be placed on leave with full remuneration, for a period equal to the length of time worked by him, up to a maximum of three months. At the end of this period he shall, for the remainder of his service in the armed forces and up to a maximum of half the length of time worked by him, receive compensation equal to one third of his basic salary. At the end of this further period he shall be placed on unpaid leave.

However, the payments provided for in the preceding paragraph shall be reduced by the amount of service pay received by the person concerned during the relevant period.

CHAPTER 5

REMUNERATION AND EXPENSES

Article 35

In accordance with Annex IV a staff member shall be entitled to the remuneration carried by his grade and step.

A staff member who has been at one step in his grade for two years shall automatically advance to the next step in that grade.

Article 36

In the event of a staff member's death, the surviving spouse or dependent children shall receive the deceased's full remuneration until the end of the third month after the month in which the death occurred.

Article 37

Staff shall be entitled, in accordance with Annex IV, to reimbursement of expenses incurred on taking up appointment or leaving the Centre, and also to reimbursement of expenses incurred in the course of or in connection with the performance of their duties.

CHAPTER 6

SOCIAL SECURITY BENEFITS

Article 38

1. So that staff are insured against sickness, accident, invalidity and death and can build up a retirement pension, they shall be affiliated to a compulsory social security scheme, preferably that of the country to whose scheme they were last affiliated or that of their country of origin.

The centre shall be responsible for the employer's contributions required under the legislation in force where the staff member is compulsorily affiliated to such a social security scheme, or for two thirds of the member's contributions where he remains voluntarily affiliated to the national social security scheme of which he was a member before he entered the service of the Centre or where he voluntarily joins a national social security scheme.

2. Where it is not possible to apply the provisions of paragraph 1, staff shall be insured against sickness, accident, invalidity and death and for the provision of a retirement pension, at the expense of the Centre, for the equivalent of the two-thirds share specified in paragraph 1. Provisions for applying the foregoing shall be laid down by the Management Board after consulting the Staff Committee.

Article 39

1. On the birth of a child to a staff member, the member shall receive a grant of Bfrs 7 000.

2. This grant shall also be payable in the event of termination of pregnancy after not less than seven months.

3. A staff member receiving a grant on the birth of a child shall declare any grants of the same nature which he or his spouse receive from other sources for the same child; such grants shall be deducted from the grant provided for above.

Article 40

In the event of a staff member's death, the Centre shall bear the costs involved in transporting the body to his place of origin.

Article 41

Gifts, loans or advances may be made to staff who are in a particularly difficult position as a result inter alia of serious or protracted illness or by reason of family circumstances.

The foregoing paragraph shall apply by analogy to a former staff member after expiry of his contract where, as a result of serious or protracted illness contracted, or of an accident sustained, during his employment, he is incapable of working and proves that such illness or accident is not covered by another social security scheme.

CHAPTER 7

RECOVERY OF OVERPAYMENTS

Article 42

Any sum overpaid shall be recovered if the recipient was aware that there was no due reason for the payment or if the fact of the overpayment was patently such that he could not have been unaware of it.

CHAPTER 8

APPEALS

Article 43

1. Any person to whom these Conditions of Employment apply may submit to the Director a request that he take a decision relating to him. The Director shall notify the person concerned of his reasoned decision within four months from the date on which the request was made. If at the end of that period no reply to the request has been received, this shall be deemed to constitute an implied decision rejecting it, against which a complaint may be lodged in accordance with the following paragraph.

2. Any person to whom these Conditions of Employment apply may submit to the Management Board a complaint against an act adversely affecting him, either where the Board has taken a decision or where it has failed to adopt a measure prescribed by the Conditions of Employment. The complaint must be lodged within three months. The period shall start to run:

- on the date of notification of the decision to the person concerned, but in no case later than the date on which he became aware of the decision, if the measure affects a specified person; if, however, an act affecting a specified person also adversely affects another person, the period shall start to run in respect of that other person on the date on which he receives notification thereof but in no case later than the date of publication;

- on the date of expiry of the period prescribed for reply where the complaint concerns an implied decision rejecting a request as provided in paragraph 1.

The Board shall notify the person concerned of its reasoned decision within four months from the date on which the complaint was lodged. If at the end of that period no reply to the complaint has been received, this shall be deemed to constitute an implied decision rejecting it, against which an appeal may be lodged under Article 44.

3. A request or complaint by a staff member shall be submitted through his immediate superior, except where it concerns that person, in which case it may be submitted direct to the authority next above.

Article 44

1. The Court of Justice of the European Communities shall have jurisdiction in any dispute between the Centre and any person to whom these Conditions of Employment apply regarding the legality of an act adversely affecting such person within the meaning of Article 43(2). In disputes of a financial character the Court of Justice shall have unlimited jurisdiction.

2. An appeal to the Court of Justice of the European Communities shall lie only if:

- the Management Board has previously had a complaint submitted to it pursuant to Article 43(2) within the period prescribed therein, and
- the complaint has been rejected by express decision or by implied decision.

3. Appeals under paragraph 2 shall be filed within three months. The period shall begin:

- on the date of notification of the decision taken in response to the complaint;
- on the date of expiry of the period prescribed for the reply where the appeal is against an implied decision rejecting a complaint submitted pursuant to Article 43(2); nevertheless, where a complaint is rejected by express decision after being rejected by implied decision but before the period for lodging an appeal has expired, the period for lodging the appeal shall start to run afresh.

4. By way of derogation from paragraph 2, the person concerned may, after submitting a complaint to the Management Board pursuant to Article 43(2), immediately file an appeal with the Court of Justice, provided that such appeal is accompanied by an application either for a stay of execution of the contested act or for the adoption of interim measures. The proceedings in the principal action before the Court of Justice shall then be suspended until such time as an express or implied decision rejecting the complaint is taken.

5. Appeals under this Article shall be investigated and heard as provided in the Rules of Procedure of the Court of Justice of the European Communities.

CHAPTER 9

TERMINATION OF EMPLOYMENT

Article 45

Apart from cessation on death, employment shall cease:

1. Where the contract is for a fixed period:
 - (a) on the date stated in the contract;
 - (b) at the end of the period of notice specified in the contract, where the latter contains a clause giving the staff member or the Centre the option to terminate earlier. Such period of notice shall be not more than three months;
 - (c) at the end of the month in which the staff member reaches the age of sixty-five years.

If the Centre terminates the contract, the staff member shall be entitled to compensation equal to one third of his basic salary for the period between the date when his duties end and the date when his contract expires.

2. Where the contract is for an indefinite period:
 - (a) at the end of the period of notice stipulated in the contract; the length of the period of notice shall not be less than two days for each completed month of service, subject to a minimum of fifteen days and a maximum of three months. The period of notice shall not, however, commence to run during maternity leave or sick leave, provided such sick leave does not exceed three months. It shall, moreover, be suspended during maternity or sick leave subject to the limit aforesaid;
 - (b) at the end of the month in which the staff member reaches the age of sixty-five years.

Article 46

Employment, whether for a fixed or for an indefinite period:

1. shall be terminated by the Centre without notice if the staff member is called to serve in the armed forces;
2. may be terminated by the Centre without notice:

 - (c) if the staff member ceases to satisfy the requirements of Article 23(2)(a) and (d);
 - (d) if the staff member is unable to resume his duties at the end of a period of paid sick leave as provided for in Article 30. In such case the staff member shall receive an allowance equal to his basic salary plus family allowances at the rate of two days for each completed month of service.

Article 47

1. Employment may be terminated without notice on disciplinary grounds in serious cases of failure of staff to comply with their obligations, whether intentionally or through negligence on their part. A reasoned decision shall be taken by the Director after the person concerned has had an opportunity of submitting his defence.
2. In such cases the Director may decide to withhold in whole or in part the resettlement allowance provided for in Annex IV.

Article 48

1. The employment of a staff member shall be terminated by the Centre, without notice if the Director finds:

- (a) that at the time of his engagement he deliberately furnished false information as to either his professional ability or the requirements of Article 23(2); and
- (b) that the false information furnished was a determining factor in his being engaged.

2. In such case the Director shall, after hearing the staff member concerned, declare that his employment is terminated. The staff member shall then immediately cease to perform his duties. The provisions of Article 47(2) shall apply.

The Centre may, however, decide to fix a shorter term of office, which may not be less than one year. Every staff member shall be entitled to vote and stand for election.

The conditions for election to the Staff Committee shall be laid down by the general meeting of the staff in service at the relevant place of employment. Election shall be by secret ballot.

Membership of the Staff Committee shall be such as to ensure the representation of all categories of staff.

Elections to the Staff Committee shall be valid only if two thirds of the staff entitled to vote take part. However, if this proportion is not attained, the second vote shall be valid if the majority of those entitled take part.

The duties undertaken by members of the Staff Committee and by staff appointed to organs set up by the Centre shall be deemed to be part of their normal service. The fact of performing such duties shall in no way be prejudicial to the person concerned.

ANNEX II

Compensatory leave and remuneration for overtime

Article 1

Within the limits laid down in Article 27 of the Conditions of Employment, overtime worked by a staff member in Category C or D shall entitle him to compensatory leave or to remuneration as follows:

- (a) For each hour of overtime, he shall be entitled to one hour off as compensatory leave; if the hour of overtime is worked between 2200 hours and 0700 hours or on a Sunday or on a public holiday, the entitlement to compensatory leave shall be one hour and a half; in the granting of compensatory leave, account shall be taken of the exigencies of the service and the preference of the staff member concerned.
- (b) Where the exigencies of the service do not permit compensatory leave to be taken during the month following that during which the overtime was worked, the Director shall authorize remuneration for uncompensated hours of overtime at the rate of 0.72% of the monthly basic salary for each hour of overtime on the basis set out in subparagraph (a).
- (c) To qualify for compensatory leave or remuneration for one hour's overtime, the extra time worked must have been more than thirty minutes.

Article 2

If a staff member is travelling on mission, travelling time shall not be treated as overtime for the purposes of this Annex. As regards hours worked at the place of assignment in excess of the normal number of working hours, compensatory leave or remuneration, as the case may be, may be allowed by decision of the Director.

Article 3

Notwithstanding the foregoing provisions of this Annex, remuneration for overtime worked by certain groups of staff in Categories C and D in special conditions may be paid in the form of a fixed allowance the amount and terms of which shall be determined by the Management Board after consulting the Staff Committee.

ANNEX III

Leave

Section 1
ANNUAL LEAVE

Article 1

In the year in which a staff member enters or leaves the Centre, he shall be entitled to two working days' leave per complete month of service, to two working days for an incomplete month consisting of more than fifteen days and to one working day for an incomplete month of fifteen days or less.

Article 2

Annual leave may be taken all at once or in several periods as desired by the staff member and according to the exigencies of the service. It must, however, include at least one period of two consecutive weeks. Staff entering the Centre shall be granted annual leave only after completing three months' duty; leave may be approved earlier than this in exceptional cases for reasons duly substantiated.

Article 3

If, during annual leave, a staff member contracts an illness which would have prevented him from attending for duty if he had not been on leave, his annual leave shall be extended by the duration of his incapacity, subject to production of a medical certificate.

Article 4

Where a staff member, for reasons other than the exigencies of the service, has not used up all his annual leave before the end of the current calendar year, the amount of leave which may be carried over to the following year shall not exceed twelve days.

Where a staff member at the time of leaving the Centre has not used up all his annual leave, he shall be paid compensation equal to one thirtieth of his monthly remuneration at the time of leaving the Centre for each day's leave due to him.

A sum calculated in the manner provided in the preceding paragraph shall be deducted from payment due to a staff member who at the time of leaving the Centre has drawn annual leave in excess of his entitlement up to that date.

Article 5

Where a staff member is recalled to duty for service reasons while on annual leave or has had his leave cancelled, any costs incurred by him shall be reimbursed, subject to production of appropriate evidence, and travelling time shall be granted afresh.

Section 2
SPECIAL LEAVE

Article 6

In addition to annual leave, staff may, on application, be granted special leave. In particular, in the following cases special leave shall be granted as shown:

- marriage: four days

Article 7

To the period of leave provided for in Section 1 above shall be added travelling time based on the distance by rail between the place of leave and the place of employment, calculated as follows:

- 50 to 250 km: one day for the outward-and-return journey;
- 251 to 600 km: two days for the outward-and-return journey;
- 601 to 900 km: three days for the outward-and-return journey;

- 1 401 to 2 000 km: five days for the outward-and-return journey;
- more than 2 000 km: six days for the outward-and-return journey.

Special exceptions may be granted on application by the person concerned on production of evidence that the outward-and-return journey cannot be completed in the time allowed.

For the purposes of this Article, the place of leave in respect of annual leave is the staff member's place of origin.

The preceding provisions shall apply to staff whose place of employment and place of origin are in Europe. Should the place of employment and/or origin be outside Europe, the travelling time shall be fixed by special decision taking into account particular needs.

Where special leave is granted in pursuance of Section 2 above, any travelling time shall be fixed by special decision taking into account particular needs.

ANNEX IV

Remuneration and reimbursement of expenses

Section 1

General provisions

Article 1

Remuneration shall comprise basic salary, family allowances and other allowances.

Article 2

Remuneration shall be expressed in Belgian francs.

It shall be paid in the currency of the country in which the staff member performs his duties.

Remuneration paid in a currency other than the Belgian franc shall be calculated on the basis of the par values accepted by the International Monetary Fund which were in force on 1 January 1965.

Article 3

Remuneration expressed in Belgian francs shall, after the compulsory deductions set out in these Conditions of Employment or in any implementing regulations have been made, be weighted at a rate above, below or equal to 100%, depending on living conditions in the various places of employment.

The weightings shall be those fixed by the Council of the European Communities as provided in Articles 64 and 65(2) of the Staff Regulations of Officials of the Communities.

Article 4

The remunerations shall be those fixed by the Council of the European Communities as provided in Article 65 of the Staff Regulations of Officials of the Communities.

2. The household allowance shall be granted to:
 - (a) a married staff member;
 - (b) a staff member who is widowed, divorced, legally separated or unmarried and has one or more dependent children within the meaning of Article 7(2) and (3);
 - (c) by special reasoned decision of the Director, based on supporting documents, a staff member who, while not fulfilling the conditions laid down in (a) and (b), nevertheless actually assumes family responsibilities.
3. If the spouse of a staff member is gainfully employed, with an annual income, before deduction of tax, of more than Bfrs 250 000, the staff member entitled to the household allowance shall not receive this allowance save by special decision of the Director. The staff member shall, however, be entitled to the allowance where the married couple have one or more dependent children.
4. In cases where, under the foregoing provisions, a husband and wife employed by the Centre are both entitled to the household allowance, this shall be payable only to the person whose basic salary is the higher.

Article 7

1. A staff member who has one or more dependent children shall, in accordance with paragraphs 2 and 3 below, receive an allowance of Bfrs 1 983 per month for each dependent child.

2. 'Dependent child' means a legitimate, natural or adopted child of a staff member, or of his spouse, who is actually being maintained by the staff member.

The same shall apply to a child for whom an application for adoption has been lodged and the adoption procedure started.

3. The allowance shall be granted:

- (a) automatically for children under eighteen years of age;
- (b) on application, with supporting evidence, by the staff member for children between eighteen and twenty-six who are receiving educational or vocational training.

4. Any person whom the staff member has a legal responsibility to maintain and whose maintenance involves heavy expenditure may, exceptionally, be treated as if he were a dependent child by special reasoned decision of the Director, based on supporting documents.

5. Payment of the allowance in respect of a child prevented by serious illness or invalidity from earning a livelihood shall continue throughout the period of that illness or invalidity, irrespective of age.

Article 8

A staff member shall receive an education allowance equal to the actual education costs incurred by him up to a maximum of Bfrs 1 772 per month for each dependent child within the meaning of Article 7(2) above who is in regular full-time attendance at an educational establishment.

Entitlement to this allowance shall commence on the first day of the month in which the child begins to attend a primary educational establishment and shall cease at the end of the month in which the child reaches the age of twenty-six.

The maximum prescribed in the first paragraph shall be doubled for:

- a staff member whose place of employment is at least 50 km from a European School or an educational establishment working in his language, provided that the child actually attends an educational establishment at least 50 km from the place of employment; and
- a staff member whose place of employment is at least 50 km from an establishment of higher education in the country of which he is a national or working in his language, provided that the child actually attends an establishment of higher education at least 50 km from the place of employment and the staff member is entitled to the expatriation allowance; the latter condition shall not apply if there is no such establishment in the country of which the staff member is a national.

Article 9

1. Staff in receipt of family allowances specified in this Section shall declare allowances of like nature paid from other sources; such latter allowances shall be deducted from those paid under Articles 6, 7 and 8 of this Annex.
2. The dependent child allowance may be doubled by special reasoned decision of the Director based on medical documents establishing that the child concerned is suffering from a mental or physical handicap which involves the staff member in heavy expenditure.

Section 3

EXPATRIATION ALLOWANCE

Article 10

1. An expatriation allowance equal to 16% of the total of the basic salary, household allowance and dependent child allowance to which the staff member is entitled shall be paid:

(a) to staff:

- who are not and have never been nationals of the State in whose European territory the place where they are employed is situated, and

- who during the five years ending six months before they entered the service did not habitually reside or carry on their main occupation within the European territory of that State. For the purposes of this provision, circumstances arising from work done for another State or for an international organization shall not be taken into account;

- (b) to staff who are or have been nationals of the State in whose territory the place where they are employed is situated but who during the ten years ending at the date of their entering the service habitually resided outside the European territory of that State for reasons other than the performance of duties in the service of a State or of an international organization.

The expatriation allowance shall be not less than Bfrs 3 543 per month.

Section 4

TEMPORARY FIXED ALLOWANCE

Article 11

A staff member in Category C employed as copy typist, shorthand-typist, telex operator, varitypist, executive secretary or principal secretary may be paid a temporary fixed allowance. The amount of the allowance and the period for which it is granted shall be as determined by the Council of the European Communities under Article 4a of Annex VII to the Staff Regulations of Officials of the Communities.

Section 5

REIMBURSEMENT OF EXPENSES

A. Installation allowance and resettlement allowance

Article 12

1. A staff member engaged for a fixed period of not less than one year, or deemed by the Director to be engaged for an equivalent period if his contract is for an indefinite period, shall receive an installation allowance as provided in paragraph 2 of this Article amounting, for an expected period of service of:

not less than one year but less than two years,	to one third) of the rate laid down in paragraph 2(a) here under
not less than two years but less than three years,	to two thirds	
three years or more,	to three thirds	

2(a) An installation allowance equal to two months' basic salary in the case of a staff member who is entitled to household allowance or equal to one month's basic salary in other cases shall be paid to a staff member who qualifies for expatriation allowance or who furnishes evidence of having been obliged to change his place of residence in order to comply with Article 16 of the Conditions of Employment.

In cases where a husband and wife employed by the Centre are both entitled to the installation allowance, this shall be payable only to the person whose basic salary is the higher.

The installation allowance shall be weighted at the rate fixed for the place where the staff member is employed.

(b) An installation allowance of the same amount shall be paid to any staff member who is transferred to a new place of employment and is thereby obliged to change his place of residence in order to comply with Article 17 of the Conditions of Employment.

(c) The installation allowance shall be calculated by reference to the marital status and salary of the staff member either at the time of his engagement or at the end of his probationary period, where there is a probationary period, or on the date of his transfer to a new place of employment.

The installation allowance shall be paid on production of documents establishing the fact that the staff member, together with his family if he is entitled to household allowance, has settled at the place where he is employed.

- (d) A staff member who is entitled to household allowance and does not settle with his family at the place where he is employed shall receive only half the allowance to which he would otherwise be entitled; the second half shall be paid when his family settles at the place where he is employed, provided that it does so within the periods laid down in Article 17(4). Where the staff member is transferred to the place where his family resides before his family has settled at the place where he is employed, he shall not thereby be entitled to an installation allowance.
- (e) A staff member who has received an installation allowance and who voluntarily leaves the service of the Centre within two years from the date of entering it shall, on leaving the service, refund part of the allowance, in proportion to the unexpired portion of that two-year period.
- (f) A staff member in receipt of installation allowance shall declare any allowance of like nature which he receives from other sources; such latter allowances shall be deducted from the allowance provided for in this Article.

Article 13

1. A staff member who satisfies the requirements of Article 12(1) shall be entitled on termination of service to a resettlement allowance equal to two months' basic salary in the case of a staff member who is entitled to household allowance or to one month's basic salary in other cases, provided that he has completed four years of service and does not receive a similar allowance in his new employment.

In cases where a husband and wife employed by the Centre are both entitled to the resettlement allowance, this shall be payable only to the person whose basic salary is the higher.

A staff member who has completed more than one year's but less than four years' service shall receive a resettlement allowance proportionate to his length of service, incomplete years being disregarded.

Periods of unpaid leave shall be disregarded in calculating this period.

The resettlement allowance shall be weighted at the rate fixed for the place where the staff member was last employed.

2. In the event of the death of a staff member, the resettlement allowance shall be paid to the surviving spouse or, in the absence of such a person, to the dependants within the meaning of Article 7 above, even if the requirement as to length of service laid down in paragraph 1 is not satisfied.

3. The resettlement allowance shall be calculated by reference to the marital status and salary of the staff member at the date of termination of service.

4. The resettlement allowance shall be paid against evidence that the staff member and his family, or, where the staff member has died, his family only, have resettled at a place situated not less than 70 km from the place where the staff member was employed.

Resettlement of a staff member or of the family of a deceased staff member shall take place within three years of the date of termination of his service.

This time limit shall not apply as against persons entitled under him who can prove that they were unaware of the foregoing provisions.

Article 14

However, the installation allowance provided for in Article 12 and the resettlement allowance provided for in Article 13 shall not be less than:

- Bfrs 5 000 for a staff member who is entitled to household allowance; and
- Bfrs 3 000 for a staff member who is not entitled to household allowance.

B. TRAVEL EXPENSES

Article 15

1. A staff member shall be entitled to reimbursement of travel expenses for himself, his spouse and his dependants actually living in his household:

- (a) on taking up his appointment, from the place where he was recruited to the place where he is employed;
- (b) on termination of service, from the place where he is employed to the place of origin as defined in paragraph 3 below.

In the event of the death of a staff member, the widow and dependants shall be entitled to reimbursement of travel expenses under the same conditions.

Travel expenses shall also include the cost of seat reservations, transport of luggage and, where applicable, hotel expenses necessarily incurred.

2. The basis for the calculation of reimbursement shall be:

- the shortest and most economical standard route by rail between the place of employment and the place of recruitment or origin;
- first-class fare for staff in Categories A and B; second-class fare for other staff;
- where the journey includes not less than six hours of night travel between 2200 hours and 0700 hours, sleeping accommodation up to the cost of tourist class or couchette, on production of the relevant ticket.

Where a means of transport other than that mentioned above is used, calculation of reimbursement shall be based on the cost by rail in the appropriate class, excluding sleeping accommodation. Where calculation on this basis is not possible, the terms of reimbursement shall be determined by special decision of the Director.

3. The place of origin of a staff member shall be determined when he takes up his appointment, account being taken of where he was recruited or the centre of his interests. The place of origin as so determined may by special decision of the Director be changed while the staff member is in the service or when he leaves the service. While he is in the service, however, such decision shall be taken only exceptionally and on production by the staff member of appropriate supporting evidence.

The effect of such a change shall not, however, be such as to recognize as the centre of the staff member's interests a place outside the territories of the Member States of the Communities or of the countries and territories listed in Annex IV to the Treaty establishing the European Economic Community.

Article 16

1. A staff member shall be entitled to be paid a sum equivalent to the cost of travel from the place where he is employed to his place of origin as defined in Article 15 for himself and, if he is entitled to household allowance, for his spouse and dependants within the meaning of Article 7:

- once in each calendar year if the distance by rail between the place of employment and the place of origin is more than 50 km but less than 725 km;
- twice in each calendar year if the distance by rail between the place of employment and the place of origin is 725 km or more;

Such distances to be calculated according to the methods laid down in Article 15(2).

In cases where a husband and wife are both employed by the Centre, each has the right in respect of himself or herself and in respect of dependants to the flat-rate payment of travelling expenses, in accordance with the above provisions; each dependant shall be entitled to one payment only. The payment in respect of dependent children is fixed at the request of the husband or wife, on the basis of the place of origin of one or other of them.

Where a staff member marries and is for that reason recognized as being entitled to household allowance the travel expenses payable for the spouse shall be calculated in proportion to the period from the date of the marriage to the end of the year.

Any alteration to the basis of calculation which may arise from changes in family status after the date of payment of the sums in question shall not render the staff member concerned liable to make repayment.

Travel expenses for children aged four to ten years shall be calculated on the basis of half fare, the children being deemed for the purposes of calculation to have completed their fourth or tenth year on 1 January of the current year.

2. The flat-rate payment shall be based on the cost of a first-class return ticket by rail in the case of staff in Categories A and B and of a second-class return ticket in the case of other staff. Where calculation on this basis is not possible, the terms of payment shall be determined by special decision of the Director.

3. A staff member whose service is terminated in the course of a calendar year for any reason other than death or who is on unpaid leave during part of the year shall, if he is in active employment in the service of the Centre for less than nine months of that year, be entitled only to part of the payment provided for in paragraph 1, calculated in proportion to the time spent in active employment.

4. The preceding provisions shall apply to staff whose place of employment and place of origin are in Europe. A staff member whose place of employment and/or place of origin are outside Europe shall be entitled once in each calendar year, subject to the submission of supporting documents, to repayment of travel expenses to his place of origin, or to repayment of travel expenses to another place not exceeding the expense of travel to his place of origin.

5. Only such staff as have been in the service of the Centre for at least nine months shall qualify for entitlement under this Article.

C. REMOVAL EXPENSES

Article 17

1. Staff engaged for a fixed period of not less than twelve months, or deemed by the Director to be engaged for an equivalent period if their contract is for an indefinite period, shall, as provided below, be entitled to reimbursement of removal expenses.

2. The expenses incurred in respect of removal of furniture and personal effects, including the cost of insurance against ordinary risks (breakage, theft, fire), shall be reimbursed to a staff member who is obliged to change his place of residence in order to comply with Article 17 of the Conditions of Employment and who has not been reimbursed in respect of the same expenses from another source. Such reimbursement shall not exceed the amount of an estimate approved in advance. Not less than two estimates shall be submitted to the appropriate department of the Centre, which may, if it considers the estimates to be excessive, select another removal firm. In the latter case, entitlement to reimbursement may be limited to the amount of that firm's estimate.

3. On termination of service or on the death of a staff member, the expenses incurred in respect of removal from the place where he was employed to his place of origin shall be reimbursed.

Where the deceased staff member was unmarried, the expenses shall be reimbursed to those entitled under him.

4. Removal shall be effected within one year of the end of the staff member's probationary period.

On termination of service, removal shall be effected within three years as provided in the second subparagraph of Article 13(4).

Removal expenses arising after the expiry of the time limits set out above shall be reimbursed only in exceptional cases and by special decision of the Director.

D. DAILY SUBSISTENCE ALLOWANCE

Article 18

1. Where a staff member furnishes evidence that he must change his place of residence in order to satisfy the requirements of Article 16 of the Conditions of Employment, he shall be entitled for a period specified in paragraph 2 to a daily subsistence allowance as follows:

Grade	Entitled to household allowance		Not entitled to household allowance	
	1st to 15th day	from 16th day	1st to 15th day	from 16th day
	Belgian francs per calendar day			
A4 to A8 and Category B	775	350	525	275
Other grades	700	325	450	225

In cases where a husband and wife employed by the Centre are both entitled to the daily subsistence allowance, the rates shown in the first two columns shall be applicable only to the person whose basic salary is the higher. The rates shown in the other two columns shall be applicable to the other person.

The above scale shall accord with that laid down by the Council of the European Communities each time remuneration is reviewed pursuant to Article 65 of the Staff Regulations of Officials of the Communities.

2. The period in respect of which the daily subsistence allowance is granted shall be as follows:

(a) in the case of a staff member who is not entitled to household allowance:
120 days

(b) in the case of a staff member who is entitled to household allowance:
180 days or, if the staff member is required to serve a six-month probationary period, that period plus one month.

In cases where a husband and wife employed by the Centre are both entitled to the daily subsistence allowance, the period in respect of which it is granted as laid down in (b) shall apply to the person whose basic salary is the higher. The period laid down in (a) shall apply to the other person.

In no case shall the daily subsistence allowance be granted beyond the date on which the staff member removes in order to satisfy the requirements of Article 17 of the Conditions of Employment.

3. The daily subsistence allowance provided for in paragraph 1 shall be reduced by half during any period when the staff member receives the daily subsistence allowance for staff on mission provided for in Article 19.

E. MISSION EXPENSES

Article 19

1. A staff member travelling on mission and holding an appropriate travel order shall be entitled to reimbursement of travel expenses and to daily subsistence allowance in accordance with the following provisions.

2. The travel order shall state the probable duration of the mission, on the basis of which shall be calculated any advance which the staff member may draw against subsistence allowance. Save where a special decision is taken, no advance shall be payable where the mission is not expected to involve an absence of more than twenty-four hours and is to be carried out in a country using the same currency as that used in the place where the staff member is employed.

Article 20

1. Travel expenses for staff on mission shall cover the cost of rail transport by the shortest route, first class for staff in Categories A and B and second-class for other staff.

Where an outward and return journey of 800 km or more is involved, staff in Categories C and D shall be entitled to reimbursement of the first-class rail fare in respect of the foregoing expenses.

By decision of the Director, staff in Categories C and D travelling on mission involving an outward-and-return journey of less than 800 km shall be entitled to reimbursement of the first-class rail fare when accompanying a member of the Management Board, the Director or a staff member who is travelling first-class.

Travel expenses shall also include:

- the cost of seat reservations and transport of necessary luggage;
- supplements for special fast trains (reimbursed against production of special tickets where these are issued);
- supplements for sleeping accommodation (reimbursed against production of sleeper tickets) where the journey includes not less than six hours of night travel between 2200 and 0700 hours:
- in a single sleeper or, if not available, special sleeper for the Deputy Director;
- in a double sleeper for other staff;
- where the train to be taken does not have sleeping accommodation of the category specified at the second indent above, reimbursement shall, with the consent of the Director, correspond to the category immediately above or to single sleeper if that is the only category of sleeping accommodation available.

2. Staff may be authorized to travel by air. In such case reimbursement may be made against production of tickets for the class immediately below first class.

By decision of the Director, staff accompanying a member of the Management Board or the Director on a given mission may, on production of tickets, be reimbursed the cost of the journey in the same class as that used by the member or the Director.

Under the conditions laid down in rules adopted by the Management Board, staff who travel on mission under particularly tiring conditions may, by decision of the Director, be reimbursed the cost of the journey in the class used, on production of tickets.

By special decision of the Director, staff may be authorized to take luggage in excess of the free allowance.

3. For journeys by sea the class of travel shall be determined in each case by the Director.

Staff travelling by sea shall receive, instead of the daily subsistence allowance provided for in Article 21, an allowance of Bfrs 225 per twenty-four-hour period of the journey.

4. A staff member may be authorized to use his own car on a given mission, provided that the duration of the mission is not thereby increased.

Reimbursement of travel expenses shall in that case be calculated on the standard basis prescribed in paragraph 1.

In the case of a staff member travelling regularly on mission in special circumstances, however, the Director may decide to grant him an allowance per kilometre covered instead of reimbursement of rail fares, if the use of public transport and reimbursement of travel expenses on the normal basis involve definite disadvantages.

A staff member authorized to use his own car shall remain fully liable for any accidents to his car or to third parties; he must be in possession of an insurance policy covering civil liability up to an amount considered adequate by the Director.

Article 21

1. (a) The daily subsistence allowance for staff on mission shall be paid on the following scale:

I Categories A and B	II Other categories
Bfrs 1 320	Bfrs 1 220

- (b) In the case of missions outside the European territory of Member States, the Director may decide to apply other rates.

2. The subsistence rates set out in Columns I and II shall be reduced by Bfrs 330 and Bfrs 315 respectively for any day's absence on mission, reckoned in accordance with paragraph 4, during which the staff member has incurred sleeper costs reimbursable by the Centre.

3. The same deductions shall be made where the staff member has not had to spend the night away from the place where he is employed.

4. Subject to paragraphs 2 and 3, daily subsistence allowance for staff on mission shall be calculated in accordance with the following rules:

(a) Mission of twenty-four hours or less:

- six hours or less: reimbursement of actual expenses up to a quarter of the daily subsistence allowance;

- twelve hours or less, but more than six hours: half the daily subsistence allowance;
- twenty-four hours or less, but more than twelve hours: a whole day's subsistence allowance.

(b) Mission of more than twenty-four hours:

- for each period of twenty-four hours: a whole day's subsistence allowance;
- for any further period of six hours or less: no subsistence allowance;
- for any further period of twelve hours or less, but more than six hours: half the daily subsistence allowance;
- for any further period of more than twelve hours: a whole day's subsistence allowance.

5. The daily subsistence allowance for staff on mission shall be considered to cover all expenditure incurred, including local travel at the place of mission, save for the expenses mentioned below, which shall be reimbursed against supporting documents:

- (a) cost of telegrams and inland trunk or international telephone calls where incurred for official purposes;
- (b) entertainment expenses in cases covered by Article 22;

- (c) exceptional expenditure necessarily incurred for the purposes of the mission, either on receipt of special instructions or on account of force majeure and in the interests of the Centre, and resulting in disbursement out of reasonable proportion to the allowance provided.

6. Where the mission is expected to last for at least four weeks in the same place and the staff member concerned has been so advised before departure, subsistence rates may be reduced by one quarter.

Such reduction may be decided on during the course of the mission; in such case it shall take effect not less than eight days after the staff member concerned has been notified thereof, provided that there remain not less than four weeks of mission to be completed, reckoned from the date of notification.

7. Where an agent on mission has a meal or accomodation provided or reimbursed by one of the institutions of the Communities or by a national or international administration or organization, he shall declare it.

His daily subsistence allowance shall be reduced by Bfrs 200 for each meal provided, the allowances provided for in columns II and III shall be reduced by Bfrs 450 and Bfrs 400 for each day's accomodation provided. Where an official on mission has all his meals and accomodation provided or reimbursed by one of the institutions of the Communities or by a national or international administration or organization, he shall receive an allowance of Bfrs 225 for each period of 24 hours in place of the delay subsistence allowance for missions provided for above.

8. The rates indicated in paragraphs 1, 2 and 7 are increased by 10 % when the mission is to Paris, by 5 % when the mission is to Brussels, Luxembourg or Strasbourg and by 10 % for staff of categories C and D when the mission is to Strasbourg.

F. FIXED REIMBURSEMENT OF EXPENSES

Article 22

1. Staff who, by reason of their duties, regularly incur entertainment expenses may be granted a fixed-rate allowance by the Director, who shall determine the amount thereof.

In special cases, the Director may in addition decide that part of the cost of accommodation for the staff concerned also be borne by the Centre.
