Proposal for a

COUNCIL REGULATION (EC)

**amending Council Regulation (EC) No 2334/97 imposing a definitive anti-dumping duty
on certain imports of flat pallets of wood originating in the Republic of Poland**

(presented by the Commission)

EXPLANATORY MEMORANDUM

1. In November 1997, by Regulation (EC) No 2334/97, the Council imposed definitive anti-dumping duties on certain imports of flat pallets of wood originating in the Republic of Poland and accepted undertakings offered from certain producers in connection with these imports. Sampling was applied to Polish producers/exporters and individual duties ranging from 4% to 10.6% were imposed on the companies in the sample, while other co-operating companies not included in the sample received a weighted average duty of 6.3%. The producers from whom undertakings were accepted were exempted from anti-dumping duties with regard to imports of one specific pallet type, the EUR-pallet, which is the only pallet type covered by the undertaking.

2. 18 new Polish exporting producers having requested the same treatment as the companies which co-operated in the original investigation but were not included in the sample, have provided, on request, evidence showing that they meet the requirements of a new exporter as set out in Article (4) 1 of Regulation (EC) No 2334/97. The evidence provided by these applicant companies is considered sufficient to allow Regulation (EC) No 2334/97 to be amended by adding these 18 exporting producers to Annex I of said Regulation, specifying the exporting producers subject to a weighted average duty of 6.3%.

10 of these 18 Polish exporting producers have also offered undertakings with regard to the EUR-pallet which are accepted by the forthcoming Commission Decision. Consequently, these 10 companies are added to Annex II of Regulation (EC) No 2334/97 specifying the exporting producers subject to an undertaking.

3. It is therefore proposed, after consultation of the Advisory Committee, that the Council adopts the draft Regulation annexed amending Council Regulation (EC) No 2334/97 as specified in recital 2 hereof.

Council Regulation (EC) No...../98

of....

amending Council Regulation (EC) No 2334/97 imposing a definitive anti-dumping duty on certain imports of flat pallets of wood originating in the Republic of Poland

The Council of the European Union,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 384/96 of 22 December 1995 on protection against dumped imports from countries not members of the European Community¹, as amended by Regulation (EC) No 2331/96², and in particular Article 9(4) thereof,

Having regard to Council Regulation (EC) No 2334/97, and in particular Article 4(1) and (2) thereof,

¹ OJ No L 56, 6.3.1996, p. 1.

² OJ No L 317, 6.12.1996, p. 1.

Having regard to the proposal submitted by the Commission after consulting the Advisory Committee,

Whereas:

A. PREVIOUS PROCEDURE

- (1) The Council, by Regulation (EC) No 2334/97³, imposed definitive anti-dumping duties on certain imports of flat pallets of wood falling within CN code ex 4415 20 20 originating in the Republic of Poland and accepted undertakings offered from certain producers in connection with these imports. Sampling was applied to Polish producers/exporters and individual duties ranging from 4,0% to 10,6% were imposed on the companies in the sample, while other co-operating companies not included in the sample received a weighted average duty of 6,3%. A duty of 10,6% was imposed on companies which either did not make themselves known or did not co-operate in the investigation. The producers from which undertakings were accepted were exempted from anti-dumping duties with regard to imports of one specific pallet type, the EUR-pallet, which is the only pallet type covered by the undertakings.

³ OJ No L 324, 27.11.1997, p. 1.

(2) Article 4(1) of Regulation (EC) No 2334/97 stipulates that any party which provides sufficient evidence that:

- it did not export to the Community or produce wooden pallets during the investigation period;
- it is not related to any of the producers or exporters in Poland which are subject to the anti-dumping duties imposed by that Regulation;
- it has actually exported to the Community the goods concerned after the investigation period, or it has entered into any irrevocable contractual obligation to export a significant quantity to the Community;

then that Regulation can be amended by granting that party the duty rate applicable to co-operating producers which were not in the sample, i.e. 6.3%.

Article 4(2) of Regulation (EC) No 2334/97 provided that any party which met the criteria set out in the preceding paragraph can also be exempted from the payment of the anti-dumping duty if an undertaking with regard to the so-called EUR-pallet had been accepted from such party.

B. NEW EXPORTERS' REQUEST

- (3) 18 new Polish exporting producers having requested the same treatment as the companies which co-operated in the original investigation but were not included in the sample, have provided, on request, evidence showing that they meet the requirements set out in Article 4(1) of Regulation (EC) No 2334/97. The evidence provided by these applicant companies is considered sufficient to allow Regulation (EC) No 2334/97 to be amended by adding these 18 exporting producers to Annex I of said Regulation. Annex I specifies the exporting producers which shall be subject to the weighted average duty of 6.3%.
- (4) 10 of the 18 Polish exporting producers which will receive the weighted average duty of 6.3%, have also offered undertakings with regard to the EUR-pallet which were accepted by Commission Decision 98/ /EC⁴. Consequently, these 10 companies should be added to Annex II of Regulation (EC) No 2334/97 which contains a list of companies from which the Commission has accepted undertakings with regard to imports of the EUR-pallet and to which the duty does not, therefore, apply in this respect.

HAS ADOPTED THIS REGULATION:
