Proposal for a

COUNCIL REGULATION (EC)

**adopting autonomous and transitional measures for the preferential trade arrangements with Poland, Hungary, Slovakia, the Czech Republic, Romania, Bulgaria in certain processed agricultural products**

(presented by the Commission)

## EXPLANATORY MEMORANDUM

The purpose of this proposal is to extend, until the end of 1999, the autonomous measures applied by the EU to imports of processed agricultural goods from Central and East European Countries which were introduced following the enlargement of the Community and the implementation of the Uruguay Round, as laid down in Council Regulation (EC) No 656/98.

Protocols adapting the Europe Agreements with these countries have been initialled. However, pending the procedures for their formal adoption by the respective parties it cannot be ruled out that at least for some of the Central and East European Countries the Adaptation Protocols will not take effect on 1 January 1999.

In order to avoid any disruptive effect in trade and inconvenience for operators it appears necessary to foresee action in case any of the initialled Adaptation Protocols between the Community on the one side and Poland, Hungary, Slovakia, the Czech Republic, Romania and Bulgaria on the other side have not taken effect by 1 January 1999.

Therefore, the present proposal provides for continuation of the autonomous implementation of Community concessions with respect to imports of processed agricultural products as foreseen in the initialled Adaptation Protocols for those countries for which the Adaptation Protocols will not have entered into force on 1 January 1999. Should the Protocols with those countries come into effect in the course of 1999 the concessions foreseen in these Protocols shall replace, as from the date of application of the Adaptation Protocols, the measures set out in the respective Annexes to the proposed Regulation. For the countries for which the Adaptation Protocols are already applicable by 1 January 1999 the concessions foreseen in the Protocols shall replace, by 1 January 1999, the measures set out in the respective Annexes to the proposed Regulation. In either case the proposed Regulation will provide the detailed rules for implementing the concessions.

The financial implications of this proposal are set out in the financial statement.

Proposal for a  
**COUNCIL REGULATION (EC) NO /98**

of

**adopting autonomous and transitional measures for the preferential trade arrangements with Poland, Hungary, Slovakia, the Czech Republic, Romania, Bulgaria in certain processed agricultural products**

**THE COUNCIL OF THE EUROPEAN UNION,**

Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Having regard to the Act of Accession of Austria, Finland and Sweden,

Whereas, pending adaptation of Protocol 3 of the Europe Agreements concluded with Poland, Hungary, Slovakia, the Czech Republic, Romania and Bulgaria<sup>1</sup>, Council Regulation (EC) No 656/98<sup>2</sup> was adopted, which, until 31 December 1998 maintains the degree of preference granted, thus offsetting possible trade distorting effects of the enlargement of the Community and the implementation of the results of the Uruguay Round may have on exports of these countries to the Community;

Whereas the negotiations with the countries concerned for the conclusion of Adaptation Protocols adjusting the trade aspects of the Europe Agreements, hereafter Adaptation Protocols, have been concluded and new Protocols 3 have been initialled; whereas procedures for the formal adoption of the Adaptation Protocols are underway; whereas the time schedule required for formal adoption may not allow for the entry into force of the Adaptation Protocols with all of the countries concerned on 1 January 1999; whereas it is therefore advisable to foresee extension of the concessions on an autonomous basis until 31 December 1999;
