

COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 07.02.1997
COM(97) 33 final

97/ 0033 (ACC)

Proposal for a

COUNCIL DECISION

approving the exchanges of letters between the European Community, of the one part, and Bulgaria, Hungary, Poland, the Czech Republic, the Slovak Republic, Romania, Estonia, Latvia and Lithuania, of the other part, concerning certain arrangements for live bovine animals

(presented by the Commission)

EXPLANATORY MEMORANDUM

1. Council Regulation (EC) No 2490/96 lays down, as an autonomous measure for 1997, certain preferential arrangements applicable to trade in agricultural products between the Community, of the one part, and the countries associated by a Europe Agreement (Poland, Hungary, the Czech Republic, the Slovak Republic, Romania and Bulgaria), of the other part. Council Regulation (EC) No 1926/96 introduces similar provisions for trade in agriculture between the Community and the three Baltic States.
2. Both these Regulations provide for identical arrangements for trade in live bovine animals, opening two tariff quotas for the nine associated countries concerned and authorizing the Community to take action to protect its own market where forecasts indicate that, for a given year, imports into the Community might exceed 500 000 head.
3. In essence, these arrangements are similar to those provided for by the Europe Agreements, although the measures for the management of the Community market in live bovine animals have been modified in the light of the conclusions of the Uruguay Round agricultural negotiations and the ceiling on annual imports has been increased from 425 000 to 500 000 head to take account of the accession of Austria, Finland and Sweden. Furthermore, the specific measures laid down in the Europe Agreements for trade in live bovine animals expire at the end of 1996.
4. In view of the above, the Commission has negotiated agreements on behalf of the Community, in the form of exchanges of letters, with the nine associated countries concerned on the arrangements for live bovine animals laid down in Council Regulations (EC) No 2490/96 and No 1926/96.
5. The purpose of this proposal for a Council Decision is to approve these nine agreements in the form of an exchange of letters and, if necessary, to adopt detailed rules for their implementation.

Proposal

for a

COUNCIL DECISION of/97

approving the exchanges of letters between the European Community, of the one part, and Bulgaria, Hungary, Poland, the Czech Republic, the Slovak Republic, Romania, Estonia, Latvia and Lithuania, of the other part, concerning certain arrangements for live bovine animals

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 113, in conjunction with the first sentence of Article 228 (2) thereof,

Having regard to the proposal from the Commission,

Whereas the Europe Agreements establishing an association between the European Communities and their Member States, of the one part, and Bulgaria, the Czech Republic, Hungary, Poland, Romania and the Slovak Republics, of the other part, lay down certain arrangements for trade in live bovine animals;

Whereas, under the Agreement on Agriculture concluded in the framework of the Uruguay Round trade negotiations, the Community introduced full tariffication of the arrangements governing imports of live bovine animals with effect from 1 July 1995;

Whereas the measures laid down in Regulation (EC) No 2490/96¹ (autonomous measures for 1997) providing for the adjustment, as an autonomous and transitional measure, of agricultural concessions provided for in the Europe Agreements for 1997 incorporate the new arrangements for trade in live bovine animals;

Whereas the measures laid down in Regulation (EC) No 1926/96² establish in particular certain arrangements for trade in live bovine animals between the European Community, of the one part, and Estonia, Latvia and Lithuania, of the other part;

Whereas, in order to maintain the equilibrium of the Community market, the Commission, acting on behalf of the Community, has negotiated exchanges of letters with Bulgaria, the
