Proposal for a

COUNCIL REGULATION (EC)

adopting autonomous and transitional measures for the preferential trade arrangements with Poland, Hungary, Slovakia, the Czech Republic, Romania, Bulgaria in certain processed agricultural products

(presented by the Commission)

EXPLANATORY MEMORANDUM

The purpose of this proposal is to amend and to extend, until the end of 1997, the autonomous measures applied by the EU to imports of processed agricultural goods from Central and East European Countries which were introduced following the enlargement of the Community and the implementation of the Uruguay Round, as laid down in Council Regulation (EC) No 339/97.

Protocols adapting the Europe Agreements with these countries have been or soon will be initialled. However, pending the procedures for their formal adoption by the respective parties the Adaptation Protocol will not take effect on 1 July 1997. Therefore, and for the countries which are prepared to apply reciprocal measures in favour of the Community, it is proposed that the Community measures with respect to imports of processed agricultural products from the CEECs as foreseen in the Adaptation Protocols are autonomously implemented. For those countries which will not take reciprocal measures in favour of the Community only the current autonomous measures will be extended until 31 December 1997.

The financial implications of this proposal are set out in the financial statement.

Proposal for a
COUNCIL REGULATION (EC) NO 197

of

adopting autonomous and transitional measures for the preferential trade arrangements with Poland, Hungary, Slovakia, the Czech Republic, Romania, Bulgaria in certain processed agricultural products

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Having regard to the Act of Accession of Austria, Finland and Sweden,

Whereas, pending adaptation of Protocol 3 of the Europe Agreements concluded with Poland, Hungary, Slovakia, the Czech Republic, Romania and Bulgaria¹, Council Regulation (EC) No 339/97² was adopted, which, until 30 June 1997 maintains the degree of preference granted, thus offsetting possible negative effects the implementation of the results of the Uruguay Round may have on exports of these countries to the Community;

Whereas the negotiations with the countries concerned for the conclusion of Protocols amending the Europe Agreements have been concluded and new Protocols 3 have been initialled; whereas procedures for the formal adoption of 'interim' Protocols covering solely the trade-related aspects of the amending protocols are underway; whereas the time schedule required for formal adoption may not allow for the entry into force of the 'interim' Protocols on 1 July 1997; whereas it is therefore advisable to extend the concessions on an autonomous basis until 31 December 1997;

Whereas, if the countries concerned are prepared to grant to the Community the concessions resulting from the negotiations for the adaptation of the Europe Agreement by way of autonomous measures the Community should equally implement the measures in favour of these countries as foreseen in the new Protocols 3;

HAS ADOPTED THIS REGULATION:
