DECISION No .../78 OF THE EEC-GREECE ASSOCIATION COUNCIL

on adjustments to be made to the lists and to the tariff nomenclature  
of certain products referred to in the EEC-Greece Association Agreement

---

(submitted to the Council by the Commission)

## EXPLANATORY MEMORANDUM

Subject : Adjustments to be made to the lists and the tariff nomenclature of certain products contained in the EEC-Greece Association Agreement

The EEC-Greece Association Agreement dates from 1962. The various tariff designations, in particular those contained in Annexes I, II and III and in Protocol N° 13, are based on the Brussels Nomenclature, as then applicable.

Since 1962, the Brussels Nomenclature has been amended on a number of occasions in 1965, 1972 and, most recently, with effect from 1 January 1978. These amendments were put into effect, on the dates specified, by both the European Community and Greece. The result is that the tariff nomenclature (heading numbers and product descriptions) given in the Agreement now no longer corresponds to the Greek Customs Tariff Nomenclature or to that of the Common Customs Tariff, as regards the parts that have to appear in each of the tariffs in question.

With a view to remedying this situation, in June 1977 the Council authorized the Commission to negotiate with Greece the adjustments to be made to the various lists in the Athens Agreement.

These negotiations resulted in the adjustments annexed to the draft decision of the Council of Association, which is the subject of this recommendation.

In addition to the adjustments, which are of a technical nature, it was considered appropriate to insert in Annex I to the Agreement certain amendments suggested by the Greek authorities. They concern products which Greece added or deleted, as it was entitled to do during the first two years of application of the Agreement, pursuant to Article 15 (2).

A list of these amendments was communicated to the EEC-Greece Council of Association in a memo from the Greek Delegation dated 27 April 1965 (Doc. EEC-GR 27/65). A copy of the document in question is annexed to this explanatory memorandum.

With the various amendments referred to above, which have been agreed by the Greek authorities, the lists in the Agreement and the tariffs concerned correspond fully and Annex I can be updated, which is of additional interest for the negotiations on Greek accession to the Community.

For these reasons, the Commission recommends that the Council approve the attached draft decision so that it can be presented by the Community Delegation to the EEC-Greece Council of Association.

DECISION No .../78 OF THE EEC-GREECE ASSOCIATION COUNCIL

on adjustments to be made to the lists and to the tariff nomenclature of certain products referred to in the EEC-Greece Association Agreement

---

THE ASSOCIATION COUNCIL,

Having regard to the Association Agreement, and in particular Article 70 thereof,

Whereas since 1965, in consequence of the recommendations of the Customs Cooperation Council, there have been amendments to the Brussels Nomenclature or Customs Cooperation Council Nomenclature; whereas these amendments have been implemented by the European Communities and Greece, and the Common Customs Tariff and the Greek Customs Tariff, based on the said Nomenclature, have been amended accordingly; whereas, therefore, for certain products, there is no longer equivalence between the nomenclature of these two tariffs and the nomenclature in the lists in the Agreement; whereas such equivalence should be re-established;

Whereas, in accordance with the provisions of Article 15 (2) of the Association Agreement, Greece has amended the list in Annex I; whereas this list should consequently be adjusted;

HAS DECIDED AS FOLLOWS :

Sole Article

The tables representing annexes I, II and III and the table in Paragraph 2 of Protocol n° 13 of the Agreement establishing an Association between the European Economic Community and Greece are adapted as set out in the annexes hereto.
