MOTION FOR A RESOLUTION

tabled by the Socialist Group

with request for debate by urgent procedure
pursuant to Rule 14 of the Rules of Procedure

on the attitude of the Council when dealing
with Commission proposals relating to the
common sugar policy

The European Parliament,

- having regard to Article 43(2) of the EEC Treaty,
- noting that, at its meeting of 22 October 1974, the Council of the European Communities adopted decisions concerning the new common organization of the market in sugar which infringed against Parliament's right to deliver an opinion which the Council had itself requested,
 1. Strongly protests against such action which serves only to undermine further the institutional foundations of the Community and which amounts to utter disregard of Parliament;
 2. Is therefore not in a position to deliver an opinion on Commission proposals¹ which have in the meantime been superseded;
 3. Consequently **resolves** to remove from its agenda the report by Mr MARTENS on the Commission's proposals for a regulation on the common organization of the market in sugar and a regulation on the fixing and alteration of the basic quotas for sugar, and the report by Mr LABAN on the Commission's proposals for a regulation on the introduction of a subsidy on imports of white and raw sugar and a regulation on the financing of the subsidy on sugar imports and the granting of a subsidy on sugar produced in excess of the maximum quota;
 4. Instructs its President to forward this resolution to the Council of the European Communities.
