JOINT STATEMENT BY THE ACP-EEC COUNCIL OF MINISTERS

concerning the review of the changes to Lists A and B  
as a result of the amendments to the  
Customs Co-operation Council Nomenclature

Following the amendments made to the Customs Co-operation Council Nomenclature, new Lists A and B have been introduced by Decision No 1/78.

When these new lists effectively change the substance of the rules existing before this Decision and this results in a change prejudicial to the sectors concerned, it is agreed between the Community and the ACP States concerned that:

- the Community shall take those measures necessary to preserve the preferential regime of Protocol No 1 to the ACP-EEC Convention of Lomé on the basis of the rules in the former Lists A and B;
- the Customs Co-operation Committee will, at the request of any of the contracting parties, examine as a matter of urgency, not later than 31 December 1979 and in accordance with the procedure laid down in Article 28 of Protocol No 1 to the Lomé Convention, the need to restore the effect of the rule concerned as it was before the said Decision.

The provisions set out above apply to the whole of Decision No 1/78, including Article 6 relating to products presented in the form of sets.
