* Today's Comment : Political union is worthy of support, provided the Treaties are put into effect.

* In today's COMMON MARKET/EURATOM Bulletin No. 1952 :

- p. 1 - Community shipyards : the work on a common policy.
 - Community oil and gas policy : consultations with the oil companies seem to have been accepted in principle.
- p. 1/2 European Bank : funds for industrial schemes in Southern Italy and Sardinia.
- p. 2 - Court of Justice : a new judge and a new Advocate General have taken up their duties.
 - EEC-Greece : search for empirical solutions for the coordination of farm policies.
 - The Exception Lists of the Kennedy Round : the EEC Commission will adopt its formal proposals next week.
- p. 3/4 Euratom : grant of status of "common enterprise" : proposed by the Commission for the Lingen nuclear power station (F.R.).
- p. 4 - Financial aid to the emergent countries : Written Question No. 74 to the EEC Commission (Mr de Block).
 - Financing agriculture in the EEC : a study on debt and finance facilities.
 - The agricultural section of the Kennedy Round : the EEC Commission is keeping in touch with American representatives.
 - EEC-Dutch East Indies : the full Association text has been published in the O.G.
- p. 5 - Regionally-based grain prices : the EEC Commission amplifies its views on the application of the common grain price.
 - Work of the Social Agriculture Committee : sugar market organisation, increase in the threshold prices of various dairy products, wine quotas.
- p. 6 - Follow-up to the U.N. Trade Conference : coordination of the Western positions in the OECD.

* In today's E.C.S.C. Bulletin No. 3312 :

- p. 1 - Trends in indirect steel imports : the HA convened a group of experts this week.
 - Composite-price : falls to 36.50 dollars.
 - p. 2 - Community steel output : break-down by countries for September 1964.
 - p. 2/3 Community coal output : break-down by countries for September 1964.
 - p. 3 - Belgian coal output : le Directoire is planning a run down of 4.4. million tons between 1963 and 1970.
 - Shielding European coal : producers want the protection measures being used in the Community to be kept.
 - Court of Justice : a new judge and a new Advocate General have taken up their duties.
- and in the Joint Supplement :
- Revival of the European political union : the Benelux Ministers and the Italian Governments exchange views.
 - Creation of the European University : the draft convention will be discussed in Rome on Monday.
 - Consultative Assembly of the Council of Europe : the Bureau and the Standing Committee have adopted the agenda of the next Assembly session.

* Economic Interpenetration Nr. 62

* Today's Comment : Towards a major international package deal?

* In today's COMMON MARKET/EURATOM Bulletin No. 1953 :

- p. 1 - EEC-Austria : Italy has suggested a comprehensive trade agreement.
 - EEC Council : agenda of the session which begins on Monday in Brussels.
- p. 2 - Integration of EEC financial markets : an expert group has been set up.
- p. 3 - Common cereal price : the standpoint of the Six Member States.
 - Prices charged for motor spirit used on Community farms : a special publication of the Statistical Office.
- p. 4 - European Bank : loans for industrial developments in Southern Peninsular Italy and Sardinia.
 - Italian imports of two types of high quality wheat : Commission's reply to the USA.
- p. 5 - Community programmes for nuclear research and studies : the EEC Commission has called for external participation.
 - EEC-Kenya, Uganda, Tanganyika : the negotiation instructions to be adopted by the Council on Tuesday.
 - Haiti representative to the EEC : Mr Kernisan has presented his letters of credit to Mr. Hallstein.
- p. 6 - E.P. External Commerce Committee : the Pedini Report on the U.N. Trade Conference which will be debated by the full House on October 19.
 - E.P. External Commerce Committee : the Martino Report on EEC-Latin America relations, which will be debated, by the full House on October 19.

* In today's F. C. S. C. Bulletin No. 3313 :

- p. 1 - Legal validity of decisions by the European Executives : a significant Italian legal ruling.
 - Steel prices : changes in Italian and Belgian listed prices for galvanised sheet and plate.
 - p.1/2 EEC-U.K. Association Council : preparations for the coming plenary session of the Steel Committee.
 - p. 2 - Japanese coking coal imports : break down for the period between 1964 and 1968.
 - p.2/3 A safe supply bonus has been advocated by coal producers.
 - p. 3 - Preparations for the Kennedy Round : the steel makers have confidence in the HA and the Special Council of Ministers.
 - Consultative Committee : met today in Luxembourg to consider coal and steel problems.
- and in the Joint Supplement :
- E.P. Political Committee : has considered the problems of political union and relations with third countries.
 - The fusion of the Executives and European integration : statement by Mr Eugène Schaus, former Luxembourg Foreign Minister.
 - Mr. Charles Léon Hammes : has been appointed President of the Court of Justice for a period of two years.

* Interpenetration No. 63

* Today's comment : Something of a cacophony.

In today's COMMON MARKET/EURATOM Bulletin no 1954:

- p 1 Agricultural section of the Kennedy Round: talks between United States and Community abandoned for the time being
- Mr. Hallstein to meet Mr. Saragat and other members of the Italian Government in Rome on 12 and 13 October
- EP Agricultural Committee: requests participation of Council in debate on sugar - 22 October
- EEC - Israel relations: Israeli protest against raising of additional amount on eggs
- p 2 Integration of financial markets in EEC: names of experts serving on group which has been set up
- Levy applicable to hatching eggs and chickens: EEC Commission proposal for 1965
- Export rebates: Commission approves provisional increase in amount for Wiltshire bacon
- Fifteenth Session of International Flax and Hemp Confederation: recommends effective trade policy
- p 3 Harmonisation of fiscal charges in Community: Reply of EEC Commission to written question no 56 from Mr. Pleven
- EP Agricultural Committee: yesterday's meeting
- Subject for 14th Round Table on European Problems: "World Trade Prospects following Geneva Conference"

In today's ECSC Bulletin no 3314:

- p 1/2/3 Community coal situation: Mr. Dehnen considers present situation not alarming, but speedy application of energy protocol agreement necessary

Joint Supplement:

- Court of Justice: Mr. Rossi, Judge, and Mr. Maurice Lagrange, Advocate General, leave office
- WEU Council: Meeting announced for end of month in Bonn is postponed
- European political union: speech by Professor Duroselle

+ The European week

* In today's COMMON MARKET/EURATOM Bulletin No. 1955 :

- p. 1 - Air Union : negotiations to be resumed at the end of the week - agreement on the quotas is unlikely.
- p. 1/5 Council of Ministers : today's agenda includes various aspects of the merger, relations with Austria, the Schmucker Plan and "Initiative 64".
- p. 2 - Community market trends : latests comments of the EEC Commission.
- p. 3/4 Approximation of food law : Commission Reply to Written Question No. 47 (Mrs. Strobel).
- p. 4 - Community policy on emergent countries : Commission's reply to Written Question No. 62 (Mr Kapteyn).
- p. 5 - The economic situation in Italy : national income will increase by 3% in 1964, and may rise by 5% in 1965.
 - Transport policy : the EEC industries ask for equal fiscal treatment.
 - Threshold price for "Gouda" cheese : Germany has been authorised to levy an additional amount of 2%.

* In today's E. C. S. C. Bulletin No. 3315 :

- p. 1 - Orders for Community rolled products : appreciable improvement in September.
 - Steel prices : changes in the prices of the industry.
 - Preparations for the Kennedy Round : COCOR to meet on October 19, to decide a common starting position.
- p. 2 - Scrap compensation scheme : oral hearings on Tuesday of Case 108/63 (Court of Justice).
 - A Swedish iron ore field : working the Svappavaara deposits.
 - Steel prices : revision of British minimum prices.
 - Engineers and technicians from Community mines attend an HA symposium.
 - Research policy and the merger of the Executives.
- p. 3 - European miners' code : the Social Committee of the E. P. is drafting a resolution.
 - Subsidies for Community coal : the draft HA decision considered by the Energy Committee.
 - Inauguration of a new ore port at Bremerhaven.
 - The debt of the Ruhr steel industry.

.... and in the Joint Supplement :

- The States General of the Communes of Europe : agenda for the congress, which is to be held in Rome from October 15 to 18.
- E. P. and the merger of the Executives : meeting between Messrs Lahr and Duvieusart tomorrow.

* Interpenetration No. 64

* Today's comment : on the eve of the British elections.

* Weekly annex No. 51

In the B¹⁴

* In today's COMMON MARKET/EURATOM Bulletin No. 1956 :

- p. 1/2 EEC Council : decision on how the Geneva Negotiations will be carried out, and how the exception lists will be tabled.
- p. 3 - Activity of the Community : the Rossi Report, which will be debated by the full House in Strasbourg from October 20.
- p. 4 - The annual survey of the ECE (UNO) : intra-EEC and EFTA trade has increased more than the exports and imports of the two economic blocs.
 - EFTA : towards a single Nordic market.
- p. 5 - EEC trade : trends in the first half of 1964 - a better balance.
 - Published in O.G. : two financing conventions and an additional clause to a convention, regarding the Ivory Coast, the Central African Republic and Niger.
- p. 6 - Organisation of the Common Sugar Market : the EEC Commission is drawing up a list of the outstanding problems.
 - Court of Justice : special Luxembourg and Belgian countervailing charges on imports of various milk products seem to be inconsistent with the Treaty.

* In today's ECSC Bulletin No. 3016 :

- p. 1 - The problems of the energy policy : consultation with governments on the national measures.
 - New orders booked by Community works have stabilised at the level of real demand.

Tariff quota for newsprint: in favour of France
- p 5 British economic recovery measures: EEC Commission to request laying down of timetable for phased abolition
EEC - Nigeria relations: EEC Commission adopts report to Council on second stage of negotiations
Free unloading of fish: EEC Commission decides not to suspend application of regulation
French exports of wheat to China: No decision yet on increasing amount of rebate
Sole rights contract: EEC Commission announces intention of granting fresh negative clearance

In the ECSC Bulletin no 3339:

- p 1 Community steel industry trend: excellent. - New record for crude output
Issue of ECSC 30 million dollar loan on European capital markets
Steel prices: changes in scale prices in Community steel industry
Spain adopts steel programme for 1967: annual production should reach 5,834,000 metric tons of steel
- 2/3 Nationalisation of British steel industry: House of Commons rejects censure motion tabled by the Conservatives
- p 3 95th Session of Consultative Committee: Today's meeting in Luxembourg

in the Joint Supplement:

- p 1/2 Energy prospects in the member states and in the Community: report by Mr. Corradini on oil and gas in European energy policy

Economic penetration no 84

Today's comment: Discussion implies being ready to listen to the ideas of others

Nov. 13

* In today's COMMON MARKET/EURATOM Bulletin No 1980 :

- p. 1/5 EEC Council : problems of Kennedy Round - Mr. Couve de Murville confirms the links between agricultural policy, Kennedy Round and Acceleration.
- p. 2 - State of the Community Market : outcome of the debate in the Council of Ministers.
 - Beef market : Luxembourg Government does not intend to intervene in the market.
- p. 3 - Bilateral relations between E. E. C. member countries and AAMS : report by Mr. Goes van Naters to be discussed on 23 November by E. P.
- p. 4 - Financial aid to emergent countries : reply of the EEC Commission to written question No 74 by Mr De Block.
 - Supply difficulties in the agricultural sector : the EEC Commission approves a draft regulation.
 - Import of calves and veal : France notifies the size of the levy to the EEC Commission.
 - Agricultural market : EEC Commission regulation and two decisions in O.G.
- p. 5 - Agricultural meeting of EEC Council : agenda of the meeting which begins on Monday in Brussels.
 - Effects of British surtax : members and mandate of EFTA working party.

* In the E. C. S. C. Bulletin No 3340 :

- p. 1 - Meeting of Council of Ministers : agreement on joint starting position for Kennedy Round.
- p. 2 - New ECSC loan on European money market : the European banks in the consortium.
- p. 2/3 95th meeting of Consultative Committee : disagreement on the Community rules for state aid to coal worked out by H. A.
- p. 3 - Community coal production : 2.4 % higher in the first 10 months of 1964 than in the corresponding period of 1963.
 - Steel prices : amendments.

..... and in the Joint Supplement :

- Amalgamation of the Executives : today's Council meeting failed to break the deadlock.
- Mr. Monnet : received by General de Gaulle.
- E. P. - Political Committee : Mr. Dehousse proposes that the full Committee should discuss "the crisis of Europe" in December.

* Interpenetration : No 85

* Parliamentary Activity of the Six : No 25

* Today's Comment : compromises, swaps and other expedients.

TODAY IS A PUBLIC HOLIDAY IN LUXEMBOURG, TO MARK THE ACCESSION TO THE THRONE OF HRH GRAND-DUKE JEAN. AS A RESULT, THE ECSC AND "INTERPENETRATION" BULLETINS ARE NOT BEING PUBLISHED TODAY.

For the readers of the ECSC Bulletin:

The COMPOSITE PRICE for American iron and steel scrap, as calculated by IRON AGE, stands at 37.50 dollars/ton this week (i.e. no change from last week).

COMMON MARKET/EURATOM Bulletin No. 1981:

- P.1/5 List of exceptions for the Kennedy Round: difficulties in the Council meeting.
- Eurosyndicat: has dropped from 141.77 to 140.01.
- P.2 Trends on the Community market: the latest comments of the EEC Commission.
- P.3 French countervailing charge on imported maize and potato starch products: French request to the Commission.
- Countervailing charge on imported baking power; F.R. request to the Commission.
- French cheese exports: an increase in the refund has been requested.
- Fisheries: a French statement.
- Italian cotton stocks: information provided to Commission.
- P.4 Organisation of the fruit and vegetable market: statements on the additional provisions proposed by the Commission.
- Italian motor vehicle market: abolition of sales tax.
- Community food law: symposium on approximation.
- Third country poultry: increase in extra amount?

JOINT SUPPLEMENT

- P.1 Accession of Grand Duke Jean to the Luxembourg throne.
- Meeting of De Gaulle and Monnet.
- Multilateral Force: controversies, diplomatic campaigns.
- Natural gas policy: Mr Gerhard Philipp's Question No. 90.

Today's Comment: Austerity?

* In today's COMMON MARKET/EURATOM Bulletin No. 1982 :

- p. 1/2 EEC Council : the experts are to attempt to give a final form to the guiding principles plotted by the Ministerial discussion.
- p. 2 - Import of third country chickens : the additional amount to be increased from November 16.
 - French request for the postponment of the regulation on the unloading of fish : France to explain her position on Tuesday.
- p. 3 - Special Luxembourg and Belgian duty on imported milk products : has been ruled incompatible with the Treaty by the Court.
- p. 4 - Member State harvests : latest census of the Statistical Office.
 - Farm policy : two regulations on pig meat and hen eggs in the O.G.
 - Standing orders of the EEC-AASM Association Council : EEC Council reply to Written Question No. 63 (Mr. de Block).
- p. 5 - EFTA and the 15% British surcharge : may end by strengthening consultation between the members.
- p. 5/6 EFTA Council to discuss the British surtax during the November 19-20 meeting.
- p. 6 - Nuclear industry : symposium tomorrow in Brussels on the roles of private and public enterprise.
 - Stockpiling of petroleum products : the draft directive of the EEC Commission.
 - Study of radioactivity in Rhine basin : carried out at the investigation of Euratom.

* In the E. C. S. C. Bulletin No 3341 :

- p. 1/3 Community steel market : buoyant orders for rolled products - new record exports.
 - p. 2 - Publication of H.A. reports : "the improvement of coal winning techniques in the Community and the USA."
 - p. 2/3 Shift bounty for miners : Italian miners have called for internationalisation.
 - p. 3 - H.A. to meet the Presidents of the Community steel federations on December 3.
 - H.A. Research and Culture Committee : to visit Haarlem (Netherlands) on November 17.
 - Retention of current German coal production : a number of measures announced by the German Government.
- and in the Joint Supplement :
- German foreign policy : outlined in the Bundestag by Mr. Schroeder.
 - WEU Council meeting : British import surcharge to be discussed in the Bonn meeting of Monday and Tuesday.
 - E.P. : timetable of the 1965 sessions.

* Interpenetration No 86

* Today's Comment : an amalgamation-fragmentation?

* In today's COMMON MARKET/EURATOM Bulletin No 1983 :

- p. 1 - "Medium-Term Economic Committee ": to hold its first meeting in Brussels on December 11.
- p. 1/2 EEC Council meeting : further work on the Kennedy Round exceptions lists.
 - Common grain prices : the Council will confine itself to the technical aspects when it meets on Monday.
- p. 2 - French arrangements for oil imports : mentioned yesterday before the Court of Justice, in Case 20/64 (Albatros v. SOPEC).
- p. 3 - Liberation of public contracts : industry would like to be associated in the implementation of many points in the draft directives.
 - Euratom work on biology : a technical report has just been published by the Commission.

* In the E. C. S. C. Bulletin No 3342 :

- p. 1 - Steel products and pig iron imports from East Europe : the HA steps may be extended in 1965.
- p. 2 - Changes in British steel prices : press communiqué of the British Iron and Steel Federation.
 - Steel prices : cuts in the Italian prices.
 - British steel production and consumption : growing more slowly than at the start of the year.

* Interpenetration No. 87

* The Week in Europe.

* In today's COMMON MARKET/EURATOM Bulletin No 1984 :

- p. 1/2 Preparations for the Kennedy Round : the latest discussions in Council on the exception list.
- p. 3 - Formulation of the medium-term Community programme : the preparation of forward studies.
- EEC-AASM : the discussion of the Association Committee on Friday.
 - Italian banana monopoly : abolished by the Italian Government.
- p. 4 - Regionalisation of grain prices : further Commission reply to Written Question No. 50 (Mr Vredeling).
- Grade of the head of the translation department : Written Question No. 89 of Mr. Battaglia to the EEC Commission.
 - Symposium on occupational training : began today in Brussels.
 - French rice imports : France to subsidise retail prices.
 - 2nd European photo competition for young people.
- p. 5 - Shipbuilding aids : the Italian Government has adopted the bill.
- GATT : tabling of the EEC exception list.
 - Agricultural session of the EEC Council : the debate in today's meeting in Brussels.

* In the E. C. S. C. Bulletin No 3343 :

- p. 1 - Cartels and concentrations : the HA has authorised two concentrations in the coal briquette industry (French coastal region).
- Readaption of workers : HA decision.
- p. 1/2 5th Italian construction programme : the HA has granted funds.
- p. 2 - German coal issue : the HA is considering the scope for utilising Treaty Article 56.
- HA-Steel industry presidents : December 4 in Luxembourg.
 - German steel industry : the Georg iron ore mine to close down next summer.
- p. 3 - Steel prices : movement of import prices over the first half of 1964.
- Steel imports from East Europe : the HA wants a number of steps to be proroged till the end of 1965.
 - Coal situation in Belgium : raised by the Ministerial Committee for Economic and Social Coordination.

.... and in the Joint Supplement :

- I/II - WEU Ministerial Council : the first day has been devoted to the major political problems of the moment.
- p. II - Conference of NATO deputies : the meeting which begins today in Paris.
- Mr. Jean Monnet tomorrow in Bonn.
