COM(76) 15 final

Brussels, 23 January 1976

Proposal for a

REGULATION (EEC) OF THE COUNCIL

maintaining in effect the interim measures adopted
with regard to imports of certain textile products
originating in the Federal Republic of Brazil

(submitted to the Council by the Commission)

COM(76) 15 final

Explanatory Memorandum

1. By Regulation (EEC) No. 3355/75 of 23 December 1975⁽¹⁾ the Commission established interim measures with regard to imports of certain textile products originating in the Federative Republic of Brazil.
2. These measures permit a mutual verification of trade in the products concerned in the negotiations in course with Brazil in order that the Agreement which may be concluded may apply to trade carried on in 1976.
3. The Commission considers that it is necessary to maintain this system in effect, until the entry into force of the Council Regulation applying the import rules which may result from the Agreement to be negotiated between the EEC and Brazil, or, in default, until the adoption by the Council of other appropriate measures.
4. In accordance with the provisions of Article 12(6) of Regulation (EEC) No. 1439/74 the Commission therefore submits to the Council the attached proposed Regulation concerning appropriate measures to be taken in this matter.
