Draft for a  
COUNCIL REGULATION (EEC)

opening, allocating and providing for the administration of a Community tariff quota for dried grapes in immediate containers of a net capacity of 15 kilograms or less falling within subheading 08.04 B I of the  
Common Customs Tariff  
(1982)

COM(81) 346 final

EXPLANATORY MEMORANDUM

1. The draft Regulation annexed hereto concerns the orga omnes Community tariff quota to be opened for 1982 in respect of dried grapes in immediate containers of a net capacity of 15 kg or less falling within subheading No 08.04 B 1 of the Common Customs Tariff.

Provision was first made for such quota in the trade agreement concluded between the Community and Iran. Since, however, that agreement expired on 30 November 1973 and was not renewed, the Community considered it desirable since 1974 to open an autonomous tariff quota on the terms and conditions fixed for that agreement.

At the consultation meeting held in April 1981 the delegations of the Member States pronounced themselves in favour of the opening for the year 1982 of an autonomous tariff quota at a duty of 1.2 % of which the amount is limited to 15 % of actual Community imports in 1973, coming from third countries not associated with the Community nor linked with it by a preferential agreement.

2. Since the Community tariff quota in question is relatively small compared with total imports into the Community and since all the Member States will undoubtedly exhaust their shares rapidly, a division of the quota into shares allocated definitively to each Member State would not appear to compromise the Community nature of the quota. This solution has been adopted in similar situations in the past.
3. The shares to be allocated on this basis to the Member States, and their respective total 1973 imports from non-associated third countries, are shown in the following table ; it being understood that, to safeguard the Community character of the quota, it is necessary to allocate a share to Greece by removing an equivalent amount from the shares of the other Member States.

DRAFT FOR A

COUNCIL REGULATION (EEC)

opening, allocating and providing for the administration of a Community tariff quota for dried grapes in immediate containers of a net capacity of 15 kilograms or less falling within subheading 08.04 B I of the Common Customs Tariff (1982)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the draft Regulation submitted by the Commission,

Whereas a Community tariff quota for dried grapes in immediate containers of a net capacity of 15 kilograms or less, falling within subheading 08.04 B I of the Common Customs Tariff, should be opened for 1982 at a duty of 1.2 % the volume of which shall be limited to 15 % of Community imports in 1973 from third countries not associated with the Community or linked to it by a preferential agreement; whereas, on this basis, the volume of the quota is fixed at 8 373 tonnes;

Whereas, in view of the negligible size of such a quota in comparison with the Community's requirements, a system of utilization should, without derogating from the Community nature of the tariff quota, be provided, based on a single allocation between the Member States; whereas this allocation should be calculated by the same method as is used to establish a total quota of 15 % of the imports of each Member State from the same third countries; whereas, in order to safeguard the Community nature of the quota, a share should be allocated to Greece by levying the same percentage on the share allocated to each of the other Member States; whereas, calculated in such a manner, this allocation should be as set out in Article 2;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any measure concerning the administration of the quotas allocated to that economic union may be carried out by any one of its members.
