FLASHBACK

The Prime Minister on Tuesday announced the Cabinet's 16 to 7 decision in favour of Britain's continued membership of the EEC,

The Finance Ministers agreed on March 18 to adopt the system of a "weighted basket" of EEC currencies to express the Unit of Account as used in the European Development Fund (the financial cooperation fund for the Lomé Convention), and for the operations of the European Investment Bank.

The decision is heralded as the first step towards a necessary overhaul of the EEC's common accounting system.
