BRITAIN TO PRESENT C.A.P. PROPOSALS

There will be a Council of Agricultural Ministers in Luxembourg on Monday and Tuesday, June 17 and 18. Mr. Peart will expand on the British proposals for changes in the C.A.P. and is expected to suggest a new beef support system.

The meeting of the Council of Foreign Ministers scheduled for June 17 will not, as expected, take place. But the Ministers will meet in Luxembourg the following week, Tuesday June 25.

A decision will be taken today on whether a Council of Environment and Transport Ministers will take place on June 27.

Depending on the mood of next week's Agricultural Ministers Council a further meeting might take place on June 24 and 25.
