FLASHBACK

Mr Max van der Stoel, Netherlands Foreign Minister and the new President of the European Council of Ministers, in a speech at Luxembourg on June 7th has spoken of "the political anemia" of the Community and the need to remedy it .

A Committee of the European Parliament has given warm support to the Commission's proposals for an integrated European aircraft industry.

Signor Scarascia-Mugnozza, Vice-President of the Commission and Commissioner in charge of transport, has put forward a new plan proposing Community financing of transport links between Member States.

The Commission is proposing an enlargement of the Community's generalised system of preferences (GSP). In 1977 \$8 billion worth of goods will be given preferential treatment as against \$5.5 billion this year - an increase of 42%.

Signor Altiero Spinelli, Commissioner for industrial questions, has given his resignation following his election in the recent Italian elections. M. Albert Borschette, Commissioner for competition, is still unconscious following a stroke, and the Commission has announced that it will have to consider the effect of this situation on its work.
