NEW RESEARCH GRANTS

The Commission has just announced a series of research and study grants. Some are for specific projects of local benefit; others are being carried out elsewhere in the Community for the benefit of the Community as a whole.

The following grants are being made in Britain:

1. To the Research Association for the Paper and Board Printing and Packing Industries, Leatherhead.

For research into reduction of the power consumption required in refining and achieving the desired stock in connection with paper properties.

Total cost: £11,125; Commission share: £56,563.

2. To the Medical Research Council (Dr J Martin), London, W.1.

For prevention and correction of deafness among children.

Total cost, all from the Commission: £9,375.

3. To the Royal Society for the Protection of Birds, Sandy, Beds.

For the study of certain scientific and practical aspects of the application of the Washington Convention of 1975 on endangered species of wild birds.

Total cost, all from the Commission: £7,120.
