

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(82) 433 final.

Brussels, 6 July 1982

Proposal for a
COUNCIL REGULATION (EEC)

fixing for the 1982/83 marketing year, the production aid
for tinned pineapple and the minimum price to be paid to
pineapple producers

(submitted to the Council by the Commission)

COM(82) 433 final.

EXPLANATORY MEMORANDUM

A system of production aid for tinned pineapple has been established by Articles 1 and 3 of Regulation (EEC) No 525/77⁽¹⁾.

Under Article 4 of the said Regulation the aid is fixed in such a manner as to offset the difference between the Community offer price for tinned pineapple and the prices charged by non-member supplier countries.

The minimum price to pineapple producers is fixed at the same time.

In the attached proposal, the aid and minimum price for the 1982/83 marketing year have been calculated in the light of the above mentioned dispositions of the basic Regulation.

Comparing this Community price with import prices results in aid of 50,20 ECU/100 kg, an diminution of 7,45% by comparison with the preceding marketing year.
