proposal for a
REGULATION (EEC) /74 OF THE COUNCIL

fixing the norm price for soya beans for the 1974/1975 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to Council Regulation (EEC) No./74 (1) of 1974 laying down special measures for soya beans, and in particular Article 1 (1) and (3) thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Whereas when the norm price for soya beans is being fixed account should be taken of the objectives of the common agricultural policy and of the contribution which the Community desires to make to the harmonious development of world trade; whereas the objectives of the common agricultural policy are in particular to ensure a fair standard of living for the agricultural community, to assure the availability of supplies and to ensure that supplies reach consumers at reasonable prices;

Whereas Article 1 (1) (2) of Regulation (EEC) No./74 of the Council of 1974 provides specifically that this price should be fixed at a level which is fair to producers having regard to Community supply requirements; whereas to this end a balanced relationship should be maintained with the prices of other oilseeds;

Whereas in accordance with these criteria the norm price should be fixed at the level indicated below;

Whereas the norm price must be fixed for a specified standard quality; whereas the latter should be laid down by reference to the average quality of beans harvested in the Community;
