ECONOMIC SITUATION IN THE COMMUNITY

On the basis of an introductory statement by Mr ORTOLI, Vice-President of the Commission, and in the light of the preparatory work done by the Policy Co-ordination Group on Economic and Financial Policies, the Council carried out its second quarterly examination of the economic situation in the Community.

QUESTIONS CONCERNING THE EMS

The Council took stock of the work to be done in the coming months in connection with the European Monetary System, both with regard to the establishment of the European Monetary Fund and the re-examination of exchange rate and intervention arrangements in the light of the experience gained during the first six months of the System's operation, in accordance with the Resolution of the European Council of 5 December 1978.

INTEREST SUBSIDIES FOR CERTAIN LOANS

After having resolved the last remaining problems, the Council defined its common position on the draft Regulation on interest subsidies for certain loans granted under the European Monetary System. This common position will be notified to the Greek delegation under the consultation procedure agreed upon in connection with Greece's accession.

OECD UNDERSTANDING ON EXPORT CREDITS FOR SHIPS

The Council defined its common view on the position of the Community regarding participation in the OECD Understanding on export credits for ships and on amendments to that Understanding. This common view will be notified to the Greek delegation under the consultation procedure agreed upon in connection with Greece's accession.

MISCELLANEOUS DECISIONS

Agricultural policy

The Council adopted, in the official languages of the Communities, the Regulations on

- the opening, allocation and administration of the Community tariff quota of 38,000 head of heifers and cows other than those intended for slaughter, of certain mountain breeds, falling within subheading ex 01.02 A II b) of the Common Customs Tariff;
- the opening, allocation and administration of the Community tariff quota of 5,000 head of bulls, cows and heifers, other than those intended for slaughter, of certain Alpine breeds falling within subheading ex 01.02 A II b) of the Common Customs Tariff.

Social policy

The Council adopted, in the official languages of the Communities,

- the Regulation amending Regulations (EEC) No 1408/71 and (EEC) No 574/72 on the application of social-security schemes to employed persons and their families moving within the Community (technical adjustments);
- the Decision setting up a second joint programme to encourage exchanges of young workers within the Community (see Press Release 6886/79 (Presse 54) of 15.V.79, p. 11).

Appointments

On a proposal from the Netherlands Government the Council appointed,

- Ir. A.J. DE ROOS, Directeur-Generaal van de Arbeid, a full member of the Advisory Committee on Safety, Hygiene and Health Protection at work in place of Mr E. TINGA, full member, who has resigned, for the remainder of the latter's term of office, i.e. until 22 November 1981;
- Drs. J. LEDER, Stafmedewerker bij het Nederlands Christelijk Werkgeversverbond, a full member of the Advisory Committee on Freedom of Movement for Workers in place of Drs. D.E. CNOSSEN, full member, who has resigned, for the remainder of the latter's term of office, i.e. until 10 October 1979.

ECSC Decision

The Representatives of the Governments of the Member States of the European Coal and Steel Community, meeting within the Council, adopted, in the official languages of the Communities, the Decision concerning certain tariff measures for the second half of 1979 (zero-duty tariff quotas for wire rod).

ESTABLISHMENT OF THE DRAFT GENERAL BUDGET FOR 1980

The customary meeting took place under the budgetary procedure between the Council and a delegation from the European Parliament, comprising Mrs Simone VEIL (President of the European Parliament), Mr LANGE (Chairman of the Committee on Budgets), Mr NOTENBOOM (Vice-Chairman of the Committee on Budgets), Mr SPINELLI (Vice-Chairman of the Committee on Budgets), Mrs SCRIVENER, deputy, Mr ROSSI (Vice-Chairman of the Committee on Budgets), Mr AIGNER (Chairman of the Board of Auditors), Mr DANKERT (Rapporteur for Section III of the budget - Commission), Mr JACKSON (Rapporteur for the budget of the European Parliament, the Court of Justice and the Court of Auditors) and Mr ANSQUER and Mr BONDE (Members of the Committee on Budgets).

This meeting enabled the delegation from the European Parliament to inform the Council of the Parliament's initial reactions to the preliminary draft budget for 1980. It also enabled members of the Council and the delegation from the European Parliament to have a detailed discussion on other budgetary questions, such as the problem of own resources, application of the conciliation procedure and the timetable for continuation of the budgetary procedure.

11.IX.79

The Council then proceeded to examine the preliminary draft budget item by item, bearing in mind the views expressed by the European Parliament delegation.

At the conclusion of this discussion, the Council established the draft general budget of the European Communities for 1980, including the sections relating to the European Parliament, the Council (with the Economic and Social Committee), the Commission, the Court of Justice and the Court of Auditors and the budget estimates for the Publications Office.

This draft budget will be forwarded to the European Parliament as soon as possible.

MISCELLANEOUS DECISIONS

Development of data processing

The Council adopted in the official languages of the Communities a four-year programme for the development of data processing covering the period 1979 to 1983.

This programme comprises two sections: general measures and promotion measures. The general measures cover standardization policy, public procurement, collaboration in research and development, the effects of data processing on employment, its impact on society, confidentiality and data security, and legal protection for computer programmes. The promotion measures cover the field of general software and applications (e.g. applications of a transnational character or which help to fulfil Community policy aims).

An amount of up to 25 MEUA will be allocated to this programme, with 10 MEUA for the general measures and 15 MEUA for the promotion measures.

Energy Research and Development Programme

The Council adopted in the official languages of the Communities an Energy Research and Development Programme.

This programme comprises five sections:

- energy conservation (27 MEUA)
 - = residential and commercial applications, industry, transport, energy transformation and storage
- production and utilization of hydrogen (8 MEUA)
 - = thermochemical and electrolytic production of hydrogen, transportation, storage and utilization of hydrogen
- solar energy (46 MEUA)
 - = solar-energy applications to dwellings, thermomechanical solar-power plants, photovoltaic-power generation, photochemical, photoelectrochemical and photobiological processes, energy from biomass, solar-radiation data, wind energy, solar energy in agriculture and industry
- geothermal energy (18 MEUA)
 - = integrated geological, geophysical and geochemical investigations, subsurface natural hydrothermal resources, surface use of hydrothermal resources, hot dry rocks
- systems analysis and strategy studies (6 MEUA)
 - = development of the medium and long term Community energy models, development of new concepts for energy systems' representations, development of new means for better communication between model builders and model users, world energy modelling.

A total of 105 MEUA will be entered in the budget for carrying out this energy programme from 1979 to 1983.

Emergency aid

The Council agreed to an emergency aid action amounting to 2,300,000 EUA for the victims of hurricane DAVID in non-member countries.

This aid will be allocated as follows:

- = emergency aid of 1,000,000 EUA for Guadeloupe and Martinique (FODs);
- = emergency aid of 300,000 EUA for Dominica (ACP State);
- = emergency aid of 1,000,000 EUA for countries affected by the hurricane which are neither ACP States nor French Overseas Departments.

Approximation of laws: technical barriers

The Council adopted in the official languages of the Communities the Directive on the approximation of the laws of the Member States relating to hot-water meters.

Appointments

The Council appointed, at the proposal of the United Kingdom Government,

- = Mr W.H. KEYS, General Secretary, Society of Graphical and Allied Trades, as Member of the Committee of the European Social Fund, to replace Mr C.H. URWIN, Member, who has resigned, for the remainder of the latter's term of office, i.e. until 16 April 1980;

 - = Mr N.B.W. THOMPSON, Department of Education and Science, as Member of the Advisory Committee on Vocational Training, to replace Mr C. BOOTH, Member, who has resigned, for the remainder of the latter's term of office, i.e. until 15 October 1980.
