DOCUMENT 1-482/82

MOTION FOR A RESOLUTION

tabled by Mrs LIZIN and Mrs THEOBALD-PAOLI

pursuant to Rule 47 of the Rules of Procedure

on the creation of a European safety passport
for workers in nuclear power stations

The European Parliament,

- A - having regard to the problem arising from the employment of temporary workers in European nuclear power stations during special checks on the operation of the station,
- B - whereas no record is kept of the doses which workers receive in different countries,
- C - whereas the 1980 directive laying down the basic standards makes no provision for such records, nor for special measures for temporary workers,
- D - having regard to the report adopted at its February 1982 part-session on nuclear safety,
1. Considers that a European safety passport must be introduced as a matter of urgency;
 2. Calls on the Commission to submit a proposal to this end thus completing its directive on the basic standards.
