Subject: Proposal from the Commission of the European Communities to the Council for a draft Decision adopting a concerted action project for the European Economic Community in the field of shore-based maritime navigation aid systems (Doc. 1-577/81)

Dear Mr Chairman,

The Committee on Budgets considered the above proposal from the Commission at its meeting of 27/28 May 1982.

The committee did not accept the formulation in the Commission document on the financing and staffing requirements as it was not of an indicative nature.

Following a statement by the Commission that it is prepared to amend the document to the effect that these figures are indicative, the committee endorsed the proposal.

Yours sincerely,

Erwin LANGE
