EEC GRANTS OF £3 590 000 FOR U.K. FARMING AND FISHING

The European Commission has just announced the final list of major capital projects in the United Kingdom to receive grant aid under the scheme for improving the marketing and processing of agricultural and fishery products. There are 51 beneficiaries. The total grants amount to £3 590 000, payable from the Agricultural Fund of the European Community (FEOGA). Of the total, £756 845 is for projects in Scotland, £305 510 for Wales and £587 187 for Northern Ireland.

The complete list of projects is as follows:
