Letter from the committee chairman to Mr CURRY, chairman of the Committee on Agriculture

Strasbourg, 6 July 1982

Subject: Proposal from the Commission of the European Communities to the Council for a regulation laying down, in respect of hops, the amount of aid to producers for the 1981 harvest (COM(82) 244 final)

Dear Mr Chairman,

At its meeting of 5 July 1982 the Committee on Budgets considered the above Commission proposal.

According to the Commission's figures in the financial statement, this measure will cost 5.1 million ECU in the 1982 financial year.

In Article 181 of the 1982 budget, 9 million ECU are already earmarked for this; this sum is to be reduced to 6 million ECU under the Commission's preliminary draft supplementary and amending budget No. 1.

In the light of these facts the Committee on Budgets proposes that the Committee on Agriculture, the committee responsible, deliver an opinion in favour of the Commission proposal.

Yours sincerely,

Erwin LANGE
