ORAL QUESTION (O-95/76)

with debate pursuant to Rule 47 of the Rules
of Procedure

by Mr FELLERMAIER, Mr PRESCOTT, Mr SCHMIDT and
Mr LABAN, on behalf of the Socialist Group
to the Council of the European Communities

Subject : Failure by the Council to agree an
interim Community internal fishing régime
for 1977

1. Why did the Council fail to reach an agreement
on 20 December on an interim Community internal
fishing régime for 1977?
2. To what extent has this failure been caused by
lack of progress in the Community's fishing
negotiations with non-member countries?
3. Does the Council not agree that this failure to
reach agreement has created new and difficult
problems for Community fishermen and for the
supervision by the Community of fishing activity
within Community waters by non-Community fishermen?
4. How can the Council justify to the public in the Community its
continuing failure to reach even interim agreement on this
vital subject?
