ORAL QUESTION (0-17/79)

DOCUMENT 1-286/79

with debate pursuant to Rule 47 of the Rules of Procedure
by Mr de la MALENE and Mr LALOR
on behalf of the Group of European Progressive Democrats
to the Commission of the European Communities

Subject: Abolition of compensatory amounts

In view of the small extent to which compensatory amounts were dismantled during the latest agricultural price negotiations, can the Commission state how soon and at what rate they will finally be abolished?

How does the Commission intend immediately to rectify the persistent distortions of competition caused by compensatory amounts which are tending to become a structural phenomenon?
