MOTION FOR A RESOLUTION

tabled by Mr NEWTON DUNN

pursuant to Rule 47 of the Rules of Procedure

concerning the provision of information to the public
about the work of its members

PE 86.375

The European Parliament,

- A. conscious of the obligation to fully inform the public about its work on their behalf, but very aware of the difficulty and of its comparative lack of success so far,
- B. noting the closeness of its situation compared to the House of Representatives in Washington D.C. where each of its 435 members represents on average half a million voters, and aware that each Congressman is permitted four free mailings per year to the voters of the district which he represents,

Resolves to set aside funds in its annual Budget, starting with 1985, for the printing and distribution of one individually prepared mailing by each member per year to his or her half million voters.
