DOCUMENT 1-354/82

MOTION FOR A RESOLUTION

tabled by Mr de la MALENE

on behalf of the Group of the European Progressive  
Democrats

with request for urgent and topical debate  
pursuant to Rule 48 of the Rules of Procedure

on the situation in the Lebanon

PE 79.263

Or. F.

The European Parliament,

- A. whereas the Lebanese population, a mixture of peoples, has a right to well-being and happiness,
  - B. whereas the Lebanese State is entitled to independence, security and respect for its frontiers,
  - C. whereas three serious violations of Lebanese territory are currently taking place; the first by Syria, the second by Palestinian forces and the third, last and most recent by the Israeli Army;
  - D. whereas, rid of these outside forces, the Lebanese, whatever their religion, political persuasion or view of the future, ask for no more than to agree among themselves and rebuild a country which wishes simply to live in peace with its neighbours,
1. Believes that the cease-fire which has just taken effect should allow all armies or forces present in the Lebanon to leave that country;
  2. Hopes that the Community of the Ten will take all steps necessary to bring about this situation without delay, and that the means will be provided to maintain it;
  3. Instructs its President to forward this resolution to the Council and Commission.
