DOCUMENT 1-441/83

MOTION FOR A RESOLUTION

tabled by Mrs LIZIN

pursuant to Rule 47 of the Rules of Procedure

on the creation of a European tax on electricity  
produced by nuclear reactor

PE 85.313

The European Parliament,

- A. having regard to the situation in the Community,
- B. aware of the Commission's intention to draw up a series of measures relating to the taxation of energy in the framework of its search for new sources,

Calls on the Commission to look into the possibility of creating a special tax on electricity produced by nuclear reactor, so that high taxation is not confined to hydrocarbons.
