- B. welcoming the positive espousal of the Nicaraguan Government, which on 19 July accepted the framework for multilateral negotiations proposed by the Contadora Group and issued its own 6. point Peace Plan.

  2. Calls on the Governments of the Member States to give their full and unqualified support to the Contadora initiatives;
  3. Calls on the Government of the United States to immediately withdraw its warships and troops from the Region and to halt its military manoeuvres which are likely to jeopardise the peace initiatives;
  4. Asks its Presidents to forward this resolution to the Council of Ministers, to the Foreign Ministers meeting in Political Co-operation and to the Government of the United States ;
  5. Further asks its President to forward this resolution to the United Nations requesting that a U.N. conference on the situation in Central America be organised by the end of 1983, using the peace initiatives of the Contadora Group as the basis of discussion. '
