DOCUMENT 1-63/82

MOTION FOR A RESOLUTION

tabled by Mrs THEOBALD-PAOLI

pursuant to Rule 47 of the Rules of Procedure

on changing the name of the Committee on
Energy and Research

The European Parliament,

- noting the decisions taken by the European Council in London on 27 and 28 November 1981 advocating the introduction of a large-scale European policy on research and technology,
- having regard to the results of the Research Council of 8 March 1982 in the matter of setting up a framework programme for research,
- having regard to the increasing efforts being made in the research field in the Member States and the setting up by certain national parliaments of committees responsible solely for scientific matters,
- in view of the need strongly to affirm the faith of democratic Europe in scientific research,
- noting that in Committee No. 5 of the European Parliament scientific research very often encompasses energy, the reverse of which is not true,

Decides to change the name of its Committee No. 5 which shall henceforth be called the 'Committee on Scientific Research and Energy'.
