pursuant to Rule 47 of the Rules of Procedure  
on the institution of proceedings for failure  
to act in the Common Transport Policy

The European Parliament,

- having regard to the persistent failure by the Council of Transport Ministers to introduce and develop a Common Transport Policy despite the existence of proposals from the Commission and several comprehensive opinions by the European Parliament on this matter,
  - having regard to the express provision in the EEC Treaty for the implementation of a Common Transport Policy within the specified time limits,
1. Instructs its President immediately to institute proceedings for failure to act against the Council in the European Court of Justice;
  2. This action is based on the persistent failure by the Council to act on the European Transport Policy, which is incompatible with the provisions of the Treaty.
