DOCUMENT I-509/81/Corr.

MOTION FOR A RESOLUTION

tabled by Mr FANTI, Mr DE PASQUALE, Mr SEGRE
and Mr GALUZZI

pursuant to Rule 47 of the Rules of Procedure

on relations between the Community Institutions

The European Parliament,

- confirming the urgent need for restoration of the institutional balance and a strengthening of its powers,
 - recalling that, in its decision of 9 July 1981, the European Parliament laid down the deadlines for and ways of reorganizing Community structures,
 - acknowledging, moreover, that, as things now stand, the institutional problem can and should be dealt with under the Treaties in force by improving inter-institutional relations,
 - recalling the important contribution made in this direction by the European Parliament ever since its election which culminated in the approval of a series of proposals concerning the institutions at the July 1981 part-session,
1. Instructs its President and its Bureau to set up without delay a European Parliament delegation to open negotiations with the Commission, the Council and all the other Community institutions and/or bodies to which those resolutions refer in order to reach as soon as possible satisfactory interinstitutional agreements to be ratified by a joint declaration;
 2. Hopes that its Political Affairs Committee will be adequately represented on the parliamentary delegation to be set up;
 3. Instructs its President to forward this resolution to the Council, the Commission and all other Community Institutions and/or bodies concerned.
