Subject: Proposal from the Commission of the European Communities
to the Council for a regulation amending Regulation
(EEC) No. 1035/72 as regards preventive withdrawals of
apples and pears (Doc. 1-231/82)

Dear Mr Chairman,

The Committee on Budgets considered the above proposal from
the Commission at its meeting of 27/28 May 1982.

The committee takes the view that this regulation needs to
be extensively amended and should be included in the review of
agricultural market regulations by the Commission so that these
measures can be discontinued.

At the present time it recommends that the Commission
proposal be adopted.

Yours sincerely,
(sgd) Erwin LANGE
